Using this book

Why was this book written?

It was written to help you improve your knowledge of idioms in English. Idioms are fixed expressions whose meaning is not immediately obvious from looking at the individual words in the idiom. You will come across a great many idioms when you listen to and read English. So it is important that you learn about the meanings of idioms and about how they are used. You can use this book either with a teacher or for self-study.

We wanted to encourage language learners to have a balanced approach to idioms in English. Sometimes in the past, teachers used to argue that it was a waste of time for learners to study idioms as they might start using them in an inaccurate or unsuitable way. But idioms are in such widespread use that it is inappropriate to ignore them. This book focuses just on those idioms which the modern student needs to know and it aims to provide the information and practice which will help you understand and use them correctly.

How were the idioms in the book selected?

There are a great many idioms in English, but some of them sound rather old-fashioned or are not very widely used. The 1,000 or so idioms which are worked on in this book were all selected from those identified as significant based on computer searches of huge language databases: the CANCODE corpus of spoken English, developed at the University of Nottingham in association with Cambridge University Press and the Cambridge International Corpus of written English. These databases show us how the idioms have actually been used by native speakers of English in conversations, newspapers, novels, and many other contexts. The idioms selected are all also to be found in the *Cambridge International Dictionary of Idioms* where additional examples and usage notes will also be found. You can search this dictionary online by going to the following website: <http://dictionary.cambridge.org>

How is the book organised?

The book has 60 two-page units. The left-hand page presents the idioms that are worked on in the unit. You will usually find an explanation of the meaning of each idiom, an example of it in use and, where appropriate, any special notes about its usage. The right-hand page checks that you have understood the information on the left-hand page by giving you a series of exercises that practise the material just presented. The exercises pay particular attention to checking your understanding of the idioms and how they are used because this is more important for most learners than being able to actively use the idioms.

The units are organised in three sections:

Idioms to talk about ... which groups idioms according to the topic area that they are used to talk about. Thus, *to be snowed under* [to have an enormous amount of work to do] is included in Unit 25, Work.

Idioms from the topic area of ... which groups idioms according to the image they are based on. Thus, *hit the roof* [react in a very angry way] is included in Unit 41, Houses and household objects

Idioms using these keywords which groups idioms according to keywords in them. For example, Unit 48 deals with a set of idioms based on the word *head*.

The book also has a key to all the exercises and an index which lists the 1,000 idioms we deal with and indicates the units where they can each be found.

How should I use this book?

As well as the 60 main units, there are two introductory units: Unit i What are idioms? and Unit ii Using your dictionary. It is strongly recommended that you work through these units first. After that, you may work on the units in any order that suits you.

What else do I need in order to work with this book?

You need a notebook or file in which you can write down the idioms that you study in this book as well as any others that you come across elsewhere.

You also need to have access to a good dictionary. We strongly recommend the *Cambridge International Dictionary of Idioms* as this gives exactly the kind of information that you need to have about idioms. Your teacher, however, may also be able to recommend other dictionaries that you will find useful.

So, we hope that this book will 'shed light' on all you need to know about English idioms (see Unit 8) and that, by the time you finish the units, you'll be saying: 'English idioms? A piece of cake!' (see Unit 17).

What are idioms?

A Idioms and meaning

Idioms are expressions which have a meaning that is not obvious from the individual words. For example, the idiom **drive somebody round the bend** means *make somebody angry or frustrated*, but we cannot know this just by looking at the words.

The best way to understand an idiom is to see it in context. If someone says:

This tin opener's driving me round the bend! I think I'll throw it away and get a new one next time I'm in town.

then the context and common sense tells us that **drive round the bend** means something different from driving a car round a curve in the road. The context tells us the tin opener is not working properly and that it's having an effect on the person using it.

B Types of idioms

form	example	meaning
verb + object/complement (and/or adverbial)	kill two birds with one stone	produce two useful results by just doing one action
prepositional phrase	in the blink of an eye	in an extremely short time
compound	a bone of contention	something which people argue and disagree over
simile 'simili (as + adjective + as, or like + noun)	as dry as a bone	very dry indeed
binomial (word + and + word)	rough and ready	crude and lacking sophistication
trinominal (word + word + and + word)	cool, calm and collected	relaxed, in control, not nervous
whole clause or sentence	to cut a long story short	to tell the main points, but not all the fine details

C Fixed aspects of idioms

Most idioms are fixed in their form, and cannot be changed or varied. Sometimes, however, the grammar or the vocabulary can be varied slightly. Where this book or a dictionary gives information on what can be varied, always note it in your Vocabulary notebook.

variation	example
Occasionally an idiom in the active voice can be used in the passive.	Government Ministers always pass the buck if they are challenged about poverty. [blame somebody else / refuse to accept responsibility] The buck has been passed from Minister to Minister. No one seems prepared to accept the responsibility.
Some verb-based idioms also have noun-compound forms.	There is too much buck-passing in government nowadays. No one accepts the blame for anything.
One or more words in the idiom can be varied.	Stop acting the fool/goat! [stop acting stupidly]

Exercises

- i.1** How much can you guess about the meaning of these idioms just by looking at the context? Tick the boxes according to what you can understand about the words in bold.

- 1 I decided I was going to get a place at university **by hook or by crook**. It had always been my dream to study for a degree in history.

	YES	NO	DON'T KNOW/ CAN'T TELL	
means using illegal methods if necessary	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
means nothing will stop me	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
means I was very determined	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	See Unit 17.

- 2 The government and the unions are at **loggerheads**; there may be a general strike.

	YES	NO	DON'T KNOW/ CAN'T TELL	
means have a good relationship	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
means hate each other	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
means disagree very strongly	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	See Unit 22.

- 3 We had to pay **through the nose** to get our visas in five days instead of the usual 30 days.

means pay a large sum of money	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	See Unit 24.

- i.2** Classify the idioms in the sentences below according to their grammatical type:

Type A verb + object/complement
(and/or adverbial)

Type D simile

Type E binomial or trinomial

Type B prepositional phrase

Type F whole clause or sentence

Type C compound

- Should we fly or go by train? What are the pros and cons?
Type: See Unit 10.
- I'm **having second thoughts** about going on holiday with Jean. She can be a bit difficult.
Type: See Unit 5.
- When I had finished all my exams, I felt as free as a bird.
Type: See Unit 60.
- I don't know much about design, so I gave the decorator a **free hand** in my new flat.
Type: See Unit 45.
- She comes from a rather well-to-do family. She's always had a comfortable life.
Type: See Unit 24.
- My old school friend Harriet arrived **out of the blue**. I hadn't seen her for 15 years.
Type: See Unit 42.

- i.3** Correct the mistakes in the idioms in these sentences. Use the clues in brackets. Use a good general dictionary or a dictionary of idioms if necessary.

- My father's foot was put down when I said I wanted a car for my seventeenth birthday.
He said I was too young. (grammar – voice) See Unit 46.
- Her words put the cat among the birds; Jim is furious. (vocabulary) See Unit 37.
- You'll be pleased to hear we arrived sound and safe in Peru. (binomial) See Unit 16.
- He was lying in his teeth when he said he had got a first-class grade in his exam; the truth is he failed. (grammar – small word) See Unit 51.

A What do you look up?

As it can be difficult to work out what an idiom means even when you know all the individual words in the idiom, you will often need to look up idioms in a dictionary. If you are working with a dictionary on CD-Rom, then you will have no problems finding the idiom in question, but working with a traditional dictionary, you have to find where the idiom is listed. As an idiom consists of several words, which of these do you look up in your dictionary? For example, do you try to find **kill two birds with one stone** under *kill*, *two*, *birds* or *stone*, or **let the cat out of the bag** under *let*, *cat* or *bag*?

If you are using either the *Cambridge International Dictionary of Idioms* (CIDI) or the *Cambridge Advanced Learner's Dictionary* (CALD), then the easiest way of finding what you need is to look in the alphabetical index at the back of the book. This lists all the expressions included in the dictionary with the word where an entry for the expression will be found in the dictionary highlighted in bold. This shows that in CIDI **kill two birds with one stone** will be found under *two* and **let the cat out of the bag** will be found under *cat*. In CALD these two idioms will be found under *kill* and *cat*.

If you are using a different dictionary, read its introductory notes now to see how it deals with idioms. This will avoid the frustration you would otherwise feel on deciding to look up the wrong element of the idiom first.

B What information does your dictionary give you?

Your dictionary will tell you a lot of other things as well as the meaning of the idiom. As idioms are used in such fixed ways, it is important to read the notes in your dictionary carefully if you want to use idioms as well as to understand them.

You will find all these things in a good dictionary of idioms:

- information about words that are interchangeable, e.g. **drive/send sb round the bend**
- information about how the idiom is used – brackets, for example, show if any words in the idiom can be left out, e.g. **I (can) feel it in my bones**.
- notes about the grammar of the idiom – there may be notes, for example, to say that an idiom is usually used in a passive construction or in a continuous form or in a negative sentence
- examples of the idiom in use
- comments on register – the register labels used in CIDI are *informal*, *formal*, *very informal*, *old-fashioned*, *taboo*, *humorous* and *literary*
- notes about regional variations in use – this is important as many British idioms will sound very strange to an American and vice versa

TIP

It is not possible for this book to include as much information about each idiom as you will find in a dictionary. So, look up the idioms that you particularly want to learn from this book in a dictionary as well. In your Vocabulary notebook, write any further information or other examples of the idioms in the context that you find in the dictionary.

Exercises

ii.1 Look up the idioms in these sentences in your dictionary. What word is each idiom listed under?

- 1 It's the person in the street who **picks up the bill** for the government's mistakes.
- 2 She had a wonderful trip to Australia, but now she's **come back down to earth** with a bump.
- 3 John had a furious argument with his supervisor, but he managed to **stand his ground**.
- 4 He's feeling very miserable, so there's no need for you to **stick the knife in** too.
- 5 You're **banging your head against a brick wall** trying to get him to help you.
- 6 You **scared the living daylight**s out of me by creeping up behind me like that.

ii.2 Which word(s) could be left out of the idioms in these sentences?

- 1 It's always hard when you have to **come back down to earth with a bump** after a holiday.
- 2 No one thought she could climb the mountain without oxygen, but she succeeded **against all the odds**.
- 3 She **hit him where it hurt** most by telling him that he had always been a disappointment to his parents.
- 4 The way he reacted **scared the living daylight**s out of me!

ii.3 Which word in each idiom could be changed for another word?

- 1 Don't worry about a thing – I'm sure the company will **pick up the bill**.
- 2 I **came back down to earth with a bump** when I saw the pile of post waiting for me after the weekend.
- 3 The army had lost many of its men, but it managed to **stand its ground**.
- 4 Why do critics seem to enjoy **sticking the knife into** untalented actors and writers?
- 5 I feel as if I'm **banging my head against a brick wall** with him at the moment.
- 6 It's a terrifying film – it **scared the living daylight**s out of me!

ii.4 What grammatical information does your dictionary give about these idioms? Read the information and then write a sentence with each idiom.

- 1 look a gift horse in the mouth
- 2 be pushing up the daisies
- 3 be on the brink of
- 4 tie yourself up in knots
- 5 be man enough

ii.5 Match the register labels in the box with the idioms in the sentences below.

formal humorous informal literary old-fashioned very informal

- 1 I really don't like him – he's such a **slime ball**.
- 2 OK. I'll do the washing-up. **There's no peace for the wicked!**
- 3 Her family has lived in that village **from time immemorial**.
- 4 My grandma always used to say that **an apple a day keeps the doctor away**.
- 5 The food was so delicious – we **stuffed our faces**.
- 6 I hope that what I have said will give you **pause for thought**.

I Health

A Idioms describing health

Mark had been feeling **under the weather**¹ for weeks. One day he came into work **looking like death warmed up**² and so we told him to go away for a few days to **recharge his batteries**³. After one day beside the sea, he no longer **felt off-colour**⁴ and by the second day he knew he was **on the road to recovery**⁵. He sent us a postcard and we were all glad to learn that he was **on the mend**⁶. By the end of the week, he returned to work **as fit as a fiddle**⁷. And he's been **as right as rain**⁸ ever since.

¹ not very well

² looking extremely ill

³ do something to gain fresh energy and enthusiasm

⁴ felt unwell

⁵ getting better

⁶ getting better

⁷ perfectly well

⁸ perfectly well

as fit as a fiddle

B Informal idioms for mad

There are many informal idioms which are used to say that someone is mad:

He's not all there.

She's a basket case.

She's off her trolley.

He's off his rocker.

He's not right in the head.

She's one sandwich short of a picnic.

She's got a screw loose.

He's as nutty as a fruitcake.

C Informal idioms for die

There are also a lot of very informal idioms meaning *die*, for example:

She's popped her clogs.

She's given up the ghost.

She's kicked the bucket.

He's bitten the dust.

He's fallen off his perch.

D Idioms based on medical images

idiom	meaning	example
a sore point/spot	a subject which someone would prefer not to talk about because it makes them angry or embarrassed	Try not to mention baldness while he's here – it's a sore spot for him.
give someone a taste/dose of their own medicine	do the same bad thing to someone that they have done to you in order to show them how unpleasant it is	Refusing to lend him money now would give him a taste of his own medicine – he's never lent you any.
a bitter pill to swallow	unpleasant, but has to be accepted	Losing my job was initially a bitter pill to swallow.
sugar the pill	do something to make something unpleasant more acceptable	The boss has sugared the overtime pill by offering a large extra payment.
have itchy feet	want to travel or move on	I can't stay in one place for more than a year without getting itchy feet.

Exercises

- 1.1 Put these expressions into four groups of idioms that share the same meaning. (There are two groups of two idioms and two groups of four.) Explain the meaning in each case.

give up the ghost be on the road to recovery bite the dust be on the mend
be as nutty as a fruitcake feel off-colour be not all there feel under the weather
pop your clogs be off your trolley fall off your perch be a basket case

- 1.2 Complete each of these idioms.

- Don't mention the merger to him – it's a bit of a spot for him.
- Telling Joe what you feel may be a pill for him to swallow, but you owe it to him nevertheless.
- Watching travel programmes on TV always gives me feet.
- I wonder what's happened to Stan – he looks like death up!
- Plans to put increased funds into education are supposed to sugar the of increased taxation.
- Imagine someone as unfit as Ruth going on holiday in the Himalayas. She must have a loose.
- A good game of golf at the weekend always helps to my father's batteries.

- I was exhausted when I got home from work, but, after a nice cup of tea, I'm as as rain.
- Helen won't understand the problem – she's one short of a picnic.

- 1.3 Which of the idioms meaning *die* do these pictures make you think of?

- 1.4 Match each statement on the left with the most likely response on the right.

- | | |
|--------------------------------------------------|---------------------------------------------|
| 1 I've got itchy feet. | Oh dear, I hope he's OK tomorrow. |
| 2 He's as right as rain now. | Yes, but she'll soon get over it. |
| 3 He's not right in the head. | Where would you like to go? |
| 4 I'm going to tell him what I think of him. | That is a relief! |
| 5 Dad's a bit off-colour today. | Good. Give him a dose of his own medicine. |
| 6 Failing the exam was a bitter pill to swallow. | I know, Jane told me he was off his rocker. |

FOLLOW UP

Why do you think there are so many idiomatic expressions meaning *mad* and *die*? Is it the same in your language? Do you think it would ever be appropriate for you to use any of these English idioms for *mad* or *die*? If so, in what circumstances? If not, why not?

2

Happiness and sadness

A Extreme happiness

There are many informal idioms which mean *extremely happy*.

I'm thrilled to bits.

I am/feel on top of the world.

I'm on cloud nine.

I'm over the moon.

I'm in seventh heaven.

B Other happiness idioms

idiom	meaning	example
get a (real) kick out of something	very much enjoy doing something (informal)	I get a (real) kick out of going for a run first thing in the morning before anyone else is up.
do something for kicks	do something because it is exciting, usually something dangerous (informal)	Sandra is keen to have a go at bungee-jumping – just for kicks.
jump for joy	be very happy and excited about something that has happened	Rowena jumped for joy when she heard that she'd won first prize.
be floating/ walking on air	be very happy about something good that has happened	I've been walking on air ever since Chris and I started going out together.
something makes your day	something makes you feel very happy	It's great to hear from you. It's really made my day.

C Sadness

Dear Louise,
 Hope all goes well with you. Unfortunately, everyone here is **out of sorts**¹. Will is **down in the dumps**² because he doesn't like his teacher this year. I've told him that **it's not the end of the world**³ and that he'd better **just grin and bear it**⁴, but I think he likes being a **miserable guts**⁵ and so he complains about her every night. Pat is also suffering from **sour grapes**⁶ because I got the role in the school play that she wanted. This **puts a damper on**⁷ every meal, so I'm really looking forward to staying with you at the weekend.
 Love,
 Karen

¹ slightly unhappy or slightly ill

² unhappy (informal)

³ what has happened won't cause any serious problems

⁴ accept a situation you don't like because you can't change it

⁵ someone who complains all the time and is never happy (very informal)

⁶ being jealous about something you can't have

⁷ stop an occasion from being enjoyable (sometimes *dampener* is used instead of *damper*)

Exercises

- 2.1** Combine the words in the box in order to make five expressions meaning *extremely happy*. Use each word once only.

bits cloud heaven in moon nine of on on over seventh the
the thrilled to top world

- 2.2** Which idioms do these pictures make you think of?

- 2.3** Correct the mistakes in these idioms.

- 1 The child was thrilled for bits to have her photo in the paper.
- 2 I felt as if I was floating in air as I ran down the hill into his arms.
- 3 Why does Marti look so out of sort today?
- 4 Don't make such a fuss. It's not the finish of the world!
- 5 Your telephone call has really done my day!
- 6 Jill said she was on cloud seven and Jack agreed that he was in ninth heaven.
- 7 Why does Mark always have to be such a miserable guts?
- 8 Stereotypically, happy footballers say that they are over the sun.

- 2.4** Answer these questions.

- 1 Would a piece of good news or a piece of bad news be more likely to make your day?
- 2 If you got top marks in an exam, would you feel down in the dumps?
- 3 Are people more likely to get a kick out of hot-air ballooning or cleaning their boots?
- 4 Do you have to grin and bear it when you are happy or unhappy about something that has happened?
- 5 If you are at someone's birthday party, what would be more likely to put a damper on the event – news of the illness of a close friend or a heavy shower of rain?
- 6 Do people usually enjoy or not enjoy being in the company of a misery guts?
- 7 You have a beautiful new sports car that a colleague is rather envious of. What is your colleague more likely to say out of sour grapes? 'I love its green colour!' or 'Of course, that model is very unreliable!'
- 8 A damper is literally a thing put on piano strings to make the sound less loud. How does knowing this help you to understand the idiom using the word *damper*?
- 9 Do you notice anything that a number of the images in the happiness idioms have in common?

A Being angry

These informal idioms can be used either about yourself or about a third person.

I'm **fed up (to the back teeth)** with trying to live on such a small wage.

I'm **at my wits' end** trying to keep things in order.
(wits = intelligence, brains)

I've **had it up to here** with this organisation!

These informal idioms are generally used about other people.

Your boss will **have/throw a fit** when he finds out you forgot to reply to those letters.
(You can also say **go off the deep end / go spare / do his nut / blow a fuse**.)

These less informal idioms describe other people's anger and are based on the word *blood*.

If **someone's blood is up**, they are very angry or excited and may react in a violent way.

If you are **after someone's blood**, you want to catch them in order to hurt or punish them.

If you are **out for blood**, you are determined to find someone to attack or blame for something bad that has happened.

B Angry relationships

idiom	meaning	example
drive someone up the wall	make someone very angry (or sometimes very bored)	The neighbours' loud music every night is driving me up the wall.
drive/send someone round the bend/twist	make someone very angry (or sometimes very bored)	His lack of consideration is driving me round the twist.
rub someone up the wrong way	make someone annoyed	Jill always manages to say something to rub her father up the wrong way.
get/put someone's back up	make someone annoyed	Roger put his sister's back up by saying she would never be a good driver.
ruffle someone's feathers	make someone annoyed	Jo says what she thinks without worrying about whether she might be ruffling anyone's feathers.
put/send the cat among the pigeons	do or say something that makes a lot of people angry or worried	Danny put the cat among the pigeons by suggesting that the company might have to make some redundancies.
not be on speaking terms	be so angry with each other that they refuse to speak to each other	They haven't been on speaking terms for years although neither can remember what they first quarrelled about.
give someone an earful	tell someone how angry you are with them (informal)	The old lady gave the children an earful for nearly knocking her over.
give someone a piece of your mind	tell someone how angry you are with them	He'll give the boys a piece of his mind if he catches them in his garden.

Exercises

3.1 Put the expressions in the box into pairs that mean more or less the same.

went off the deep end gave him an earful drove him up the wall gave him a piece of her mind
put his back up did his nut rubbed him up the wrong way sent him round the bend

3.2 Complete each of these idioms.

- 1 Kevin has had it up to with his work.
- 2 It's horrible living with two people who are not on speaking
- 3 It'll really put the among the pigeons if you try to bring that up at the meeting.
- 4 My sister spare when she found out I'd burnt her new top.
- 5 Jez is your blood now he knows it was you who told the police.
- 6 The demonstrators are furious and for blood.
- 7 Your father will throw a if you go out dressed like that.
- 8 The baby hardly sleeps at night and her mother is at her end.

3.3 Correct eight mistakes in this paragraph.

Yesterday I had terrible toothache. It hurt a lot and I guess that's why I was in a bad temper all day. Everything anyone said seemed to put the back up and, in the end, I threw a fuse with the person I share my office with. Even when I'm in a good mood, she sends me up the twist with her constant chatter and yesterday I had had it off to here with her after only ten minutes. I really gave her an eyeful and the result is that we are no longer in speaking terms. I know I'll have to apologise for doing my nuts like that, but perhaps I'll wait a while. It's much easier to work when she isn't talking to me! Perhaps I should give her a peace of my mind more often.

3.4 Answer these questions.

- 1 Name one thing that drives you up the wall.
- 2 Find two idioms on the left-hand page that conjure up images of birds.
- 3 Can you remember a teacher ever going off the deep end? If so, what caused it?
- 4 Find seven idioms on the left-hand page that are based on parts of the body.
- 5 Has anyone recently rubbed you up the wrong way? If so, how did they do this?
- 6 Which idiom in A on the left-hand page do you think is usually accompanied by a gesture?
- 7 Have you ever given someone a piece of your mind? If so, what about?
- 8 Find an idiom on the left-hand page connected with electricity.

Knowing and understanding

A Knowing and not knowing

<i>knowing</i>	<i>meaning</i>
She knows the system inside out .	She knows every detail of it.
When it comes to geography, he certainly knows his stuff .	He has a very good knowledge of it.
That book title has a familiar ring to it . I think I read it a long time ago.	It sounds familiar / I think I've heard it before.
I'm not sure if I know her, but the name rings a bell . (very commonly used with <i>name</i>)	I have a vague memory of someone with that name, but can't remember exactly.

<i>not knowing</i>	<i>meaning</i>
I haven't (got) / don't have a clue how to use this camera.	I don't know at all.
I haven't (got) / don't have the faintest idea where she lives.	I really don't know at all.
I haven't (got) / don't have the foggiest (idea) what this switch is for.	I absolutely don't know at all.
I can't for the life of me remember her first name.	I can't remember at all.
I'm a bit out of touch with computers these days.	I used to know about them, but don't know the latest developments.
I'm sorry, that name doesn't ring any bells with me . (very commonly used with <i>name</i>)	I don't think I've ever heard it before; it is unfamiliar.

B Coming to conclusions

I didn't actually know where you were staying, but Mark said you were with a relative. So I **put two and two together** and guessed it was that aunt of yours in Manchester. [concluded from the facts I knew]

I'm sorry, I **got (hold of) the wrong end of the stick**. I thought you were complaining about something. [came to the wrong conclusion]

'I think he's got hold of the wrong end of the stick.'

Exercises

4.1 Correct the mistakes in these idioms.

- 1 I don't have even a faint idea where he is today; you'll have to ask somebody else.
- 2 The title of the CD has familiar rings to it, but I don't think I've ever heard it.
- 3 My cousin knows the tax laws outside and in, so if you want advice on your tax, he'll help you.
- 4 I can't for life think what it was I came into the kitchen for.
- 5 I saw Tom and Lily together in a restaurant looking adoringly into each other's eyes. I added up two and two, and decided they must be madly in love.

4.2 Use the corrected idioms from exercise 4.1 to rewrite the underlined parts of this paragraph. Use each idiom once only.

I always thought I knew my computer in every detail, but the other day it started to crash every time I opened a certain program. I could not in any way understand why it was doing this, and I didn't have any idea at all about what to do to fix it. I rang the helpline which I had used in the past, and after about 20 minutes I spoke to someone who said his name was Patrick, and that he was there to help me. He gave me some advice which sounded quite familiar to me from previous calls I had made to the same helpline. I thought about all this, put the facts together, and concluded that they give the same advice to everybody, and that it's just a way of getting rid of you. The computer still crashes every time I open the program.

4.3 Write sentences that mean the opposite of these sentences. Use idioms from the left-hand page and make any other necessary changes.

- 1 Yes, that name is very familiar to me. I think I've met her several times.
- 2 I'm really up to date with TV soap operas these days. I watch them every day.
- 3 She knows absolutely nothing when it comes to the history of this area.
- 4 I correctly interpreted what she was trying to tell me and it solved a big problem.
- 5 No, sorry, her name means nothing to me. I may have met her, I just can't remember.

4.4 Complete each sentence with a different idiom which refers to 'not knowing'.

- 1 I how to use the photocopier. Do you think you could help me? (weakest of the three)
- 2 I where I left that letter I brought for you. I'm really sorry. (stronger than 1)
- 3 I what she's talking about. She's crazy! (even stronger than 2)

Experience and perception

A Learning from experiences

If ...	you can say ...
something bad has happened, but you decide to learn from it instead of being upset by it,	I've decided to put it down to experience .
you don't know what your position is or what your situation is with someone, and it's worrying you,	I just want to know where I stand , that's all.
something happens or someone says something that makes you think very seriously about it,	the events / your suggestions have certainly given me food for thought .
something bad happens to you and you decide you will never let it happen again,	I've learnt my lesson .
someone does something stupid which affects them in a way that they'll never want to do it again,	that will teach him/her a lesson!
someone finally becomes aware of a fact (often used with unpleasant facts),	I think he/she's got the message .
you tell the true facts to someone who has believed a different set of facts up to that moment,	I just want to set/put the record straight .

B Other common idioms connected with perceiving situations

I heard it **on/through the grapevine** that you're thinking of leaving the company. Is it true?
[heard it from someone who had heard it from someone else]

He doesn't hate you at all. It's completely untrue. It's just a **figment of your imagination**.
[something you have imagined which is not true]

The Prime Minister seems to have **lost sight of** why she was elected. She's broken all her promises to the people. [forgotten a central, important fact or truth about something]

What beats me is why people are prepared to sit in a traffic jam every morning for half an hour just to get to work. [what I cannot understand]

I'm **having second thoughts about** moving house. I like this part of the city and I'm not sure I'd be happy anywhere else. [I decided something, but now I am no longer sure about it]

I don't know all the **ins and outs of** the situation, but it seems that David has decided to move out of the flat he shares with Ruth and Monica. [the details of]

TIP

If an idiom has a preposition associated with it, e.g. **ins and outs of**, **second thoughts about**, always write the preposition with the idiom in your Vocabulary notebook, as well as any other important structural information.

- 3 What could you write in your Vocabulary notebook about the use of *be-all-and-end-all*?

A Describing the problem

I've come up against a brick wall.

[something is blocking me from doing what I want to do]

I put my foot in it.

[said something tactless and embarrassing]

I'm in dire straits.

[in a very difficult or dangerous situation]

I've dug myself into a hole.

[have myself caused a problem that will be difficult to escape from (informal)]

I've spread myself too thin.

[am trying to do too many things at the same time, with the result that I can't give any of them the attention they need]

[others have left me to deal with a problem alone]

They've got me over a barrel.

[have put me in a situation where I have no choice over what I can do]

I've come up against a stumbling block.

[a problem which stops me from achieving something]

I'm clutching at straws now.

[am in such a difficult situation that I will try anything]

I've drawn a blank.

[am unable to find information or to achieve something I'd hoped for]

So now we are all going to have to face the music.

[accept criticism or punishment for what you have done]

B Fact of life

Taxes are, unfortunately, a **fact of life**. [an unpleasant situation which has to be accepted because it cannot be changed]

A **fact of life** must not be confused with the phrase *the facts of life*, which is a slightly indirect (humorous) way of referring to information about sexual reproduction. Another humorous idiom for *the facts of life* is **the birds and the bees**.

C Easier said than done

Why don't you take the train to work? Then you'd avoid all the traffic jams.

Easier said than done! There are no trains at the right time. [something you say when something seems like a good idea, but is difficult to actually do]

Dealing with problems

A Trying to solve a problem

Ray needed a bookcase. He had been **making do**¹ with planks of wood on bricks, but he wanted something nicer now. His sister, Sandy, suggested buying a self-assembly bookcase where the pieces came in a flat pack for him to put together himself. Ray knew he wasn't much good at that sort of thing, but he decided to **give it a shot/whirl**². When he opened the pack, it all looked very confusing, but he was determined to **get to grips with**³ it. After a couple of hours, he had something that looked a bit like a bookcase but was rather wobbly. **To be on the safe side**⁴, he asked Sandy to check it for him. 'There's something not quite right about this,' she said. 'I think we'd better **get to the bottom of**⁵ it before you put your books on it.'

- ¹ managing with something that isn't as good as you would like
- ² give something a try (informal)
- ³ make an effort to understand or to deal with a problem or situation
- ⁴ to protect himself even though it might not be necessary
- ⁵ try to discover the truth about something

B Light and understanding

The recent release of fifty-year-old documents has **shed a great deal of light** on the political crises of the 1950s. Some unexpected information about the government of the day has been **brought to light** and some surprising facts about the politicians of the time have also **come to light**.

The concept of **light** is often used to represent mental illumination or understanding. The idiom **bring something to light** (usually used in the passive – see above) means to discover facts that were previously unknown. Often, though not always, these facts are about something bad or illegal. **Come to light** gives a similar idea of unknown facts becoming known. **Shed/Throw light on something** means to help people understand a situation.

It's been a very difficult year, but at last I feel I can see the **light at the end of the tunnel**. [something makes you believe that a difficult and unpleasant situation is coming to an end]

C The problem's over

The Democratic Party is behaving as if victory was already **in the bag**. [certain to get or achieve something (informal)]

I was in despair until Chris turned up – **the answer to my prayers**. [something or someone that you have needed for a long time]

I want to **wave a magic wand** and make things better. [find an easy way to solve a problem]

I've got to **tie up a few loose ends** before I go on holiday. [deal with the last few things that need to be done before something is completed]

Once Sheila explains why she acted as she did, everything will **fall into place**. [you understand something that you did not understand before, or everything goes well]

After the flood, it took us some time to **pick up the pieces**. [try to return to normal]

8.5 Which idioms do these pictures make you think of?

Power and authority

A Laws and rules

Note the idioms in this letter to the Editor of a newspaper.

Sir/Madam,

During the recent demonstrations in the city centre, we saw protesters **taking the law into their own hands**¹ and attacking the offices of the company responsible for the pollution of our beaches. While I can understand how angry these protesters must feel, it is clear that the most violent group of demonstrators, the so-called 'Nature's Commandos', **have become a law unto themselves**² and that the police are failing to

control the situation. What we now need is a firm government that is prepared to **lay down the law**³ to the big corporations which pollute our environment and to stop **bending the rules**⁴ when it is a question of commercial interests. At the same time, the police must take firm action against the most violent groups. Only in this way can we solve the problems we now face.

Sincerely,
Laura Norder

- ¹ taking action which should be taken by the police or the courts
- ² are completely out of control and simply ignore the law
- ³ be very firm and clear about the law, and enforce it
- ⁴ making special exceptions; letting some people disobey the rules/laws

B Authority and responsibility

If you ...	then you ...
carry the can (for something which happens)	accept the blame/responsibility alone, even though other people were responsible
get / let someone off the hook	are free / leave someone free from all responsibility or from a difficult situation
leave someone to their own devices	allow them to decide how to act; do not control or supervise them
are at/on the receiving end (of something, for example, a person's anger/criticism)	suffer from / are the target of (the other person's anger/criticism, etc.)
are at someone's beck and call	do everything they tell you to do, whenever they tell you to do it
get your own way	persuade other people to let you do what you want

C Power and politics

The people of Sweden go to the polls next Sunday. [pau'z' vote in a general election]

The government's **spin doctors** always make sure the news is very positive. [public relations officers who meet the press/media and present events in a way that suits them]

I think there is a **hidden agenda** in the government's plans. [an attempt to hide their real intentions]

Exercises

- 9.1** Which of these people are in a good situation (from their point of view) and which are in a bad situation? The idioms all come from B on the left-hand page.

A Structuring arguments

On the one hand¹, I don't think that schoolchildren should have mobile phones. No one knows what the health risks may be for young people's brains. On the other hand², they are a useful way for kids to get in touch with their parents when there is a crisis. Be that as it may³, it is still a nuisance when phones go off in the middle of a lesson. To put it in a nutshell⁴, there are a lot of pros and cons⁵ with regard to kids and mobiles.

- ¹ and ² these phrases are used to present two opposite facts or two different ways of looking at the same issue
³ an expression which means you accept that something is true, but it still does not change your opinion
⁴ indicates that you're describing something as briefly as you can
⁵ advantages and disadvantages

B Noun phrases relating to arguments

She's caught in a vicious circle. She gets depressed, so she buys some new clothes, so she has no money, which makes her depressed again. [a problem that cannot be solved because it causes another problem that causes the first problem again]

Don't let's get onto corruption in the police. That would really be opening a can of worms! [a problem which you do not want to deal with because it will cause trouble (informal)]

The producer says critics love the film, but box-office takings will provide the acid test. [a key test which will prove the value, quality or truth of something]

Certainly, boarding school is hard for children. The other side of the coin is that they learn to be independent. [a different view, making something look either better or worse than before]

C Talking about arguments

idiom	meaning	example
tie yourself (up) in knots	become very confused when you are trying to explain something	Fiona tried to explain the problem, but she soon tied herself up in knots.
be brought/called to account	be forced to explain your actions and (probably) punished	The Ministers responsible should be called to account for their incompetence.
give someone the benefit of the doubt	believe something good about someone even though you could believe either good or bad	I'm not sure that David is telling the truth, but I'm giving him the benefit of the doubt.
go round in circles	make no progress in an argument or discussion	We're going round in circles. I wish you'd come up with a new idea!

- 6 He's travelled a lot. You say it, he's been there.

11.4 Which idioms do these pictures make you think of?

It is often a good idea to learn a typical conversational response idiom in a pair with a statement that might prompt it, for example: *Do you like heavy metal music?* **I can take it or leave it.**

A Praise and positive comments

In these conversations, the second speaker uses an idiom to repeat and sum up what the first speaker says.

Micko: That little village was the most wonderful, beautiful place I've ever seen.

Tania: Yes, it really was **out of this world**, wasn't it?

Nora: Professor Breen is the best lecturer I've ever heard.

Alec: Yes, he's **second to none**, isn't he?

Lucy: I'm not looking forward to being group leader after John. He's so popular and successful.

Fergus: Yes, he's a **hard act to follow**!

Larry: Oh, I do like our new sofa. It looks just perfect here.

Susan: Yes, it's just **made for** this room, isn't it?

Kirsten: I *admire William. He defended himself very well in the face of all the criticism and made some good points against his critics too.*

Adrian: Yes, he **gave as good as he got**, didn't he?

Emilio: I don't think we'll get tickets for the cup final. They're all sold and we'd have to pay a huge sum of money to buy some on the black market.

Chris: Yes, they're **like gold dust**.

Mark: Dr Zasta's research is incredibly original and he has made some important new discoveries.

Nuria: Yes, he's done some really **ground-breaking** work.

B Criticising people

Read Alice's account of some problems she had with a colleague at work. Note the idioms.

... Well, when I started working with her, at first she was **all sweetness and light**¹, but after a while she started **getting/going on my nerves**², and we soon began to have arguments over stupid things. If I made even a small mistake with my work, she would **give me a hard time**³, you know, and she would **poke fun at**⁴ me if I smiled at or chatted with any of our male colleagues. To **add insult to injury**⁵, she began to **cast aspersions on**⁶ my honesty, and one day, when some money disappeared from someone's handbag, she told people she thought I'd stolen it. I don't think she was an **out-and-out**⁷ evil person, but she was certainly **asking for trouble**⁸, and one day I just lost my temper and, you know, told her exactly what I thought of her and how much I disliked her. She hasn't spoken to me since that day ...

¹ friendly and pleasant, but in a false way

² irritating/annoying me

³ make me suffer / feel guilty

⁴ tease/mock me (you can also say **make fun of me**)

⁵ to make a bad situation even worse

⁶ criticise my character; suggest that I was not honest (formal)

⁷ completely/totally (for negative qualities of people)

⁸ doing things that were certain to result in trouble (you can also say **asking for it**, which is more informal)

Exercises

12.1 Use an idiom in each sentence to repeat and sum up what the other person says.

B Attitudes towards events

When we got to our holiday destination, it was a very long climb up to the cottage that we were renting. John **thought nothing of**¹ it, but I found it quite difficult. However, when we got to the top, the view was so beautiful that it **brought a lump to my throat**². We were only going to be there for two weeks, so we were determined to **make the most of**³ it. Then my mother rang to say that my grandmother had been taken ill and her life was **hanging in the balance**⁴. Of course, everything else **faded/paled into insignificance**⁵ then and we agreed that we **wouldn't dream of**⁶ staying away in those circumstances. We caught the next plane home and spent the flight trying to **come to terms with**⁷ the thought that she might die. However, thank goodness, when we got to the hospital, she was sitting up completely recovered and very apologetic that she had spoiled our holiday.

Dear Lorna,

How are you? I'm fine, but I'm a bit angry today. The boss has asked me to go to London tomorrow, and **I need** a trip to London **like I need a hole in the head**⁵. I may pretend

¹ would be very useful/good; we need them

² if the situation becomes very bad, this is what I can do

³ if it is really necessary / if I have no choice

⁴ I feel that it is my duty / that I really ought to

⁵ I don't need it at all, and don't want it

B Wanting and desirability

In these pairs of sentences, the second sentence means more or less the same as the first.

I'm really really looking forward to meeting your cousin. I'm **dying** to say hello to her.
(Note: always continuous tense form)

Nothing would persuade me to ride a motorbike. I **wouldn't be seen dead** riding one.
(Note the *-ing* form when a verb follows)

I left home because I wanted to be independent. I just wanted to **do my own thing**.

I'd do anything for a chance to meet the President. I'd **give anything** to shake his hand.

His comments were just not appropriate. They were not **in keeping with** the tone of things.

I would never ever consider a job like that. I **wouldn't touch it with a barge pole**.
(barge pole = a long pole used to push forward a barge, which is a canal boat)

FOLLOW UP

Idioms are usually most common in informal texts – like the e-mails in A on the left-hand page. Try to read as many informal English texts as you can, for example, letters to popular magazines from readers, Internet chat and newsgroup texts, tabloid newspaper editorials, etc., and note any idioms you find. If you would occasionally like to try out some of the idioms you have learnt in this book, then informal e-mails are a good, natural context for using them.

19 Probability and luck

A Probability

★★★★ Your week in the stars ★★★★★

You try something **on the off-chance**¹ at work this week and achieve success **against all the odds**². At home you must be careful not to **take someone** close to you **for granted**³ as, if you do, it is a **foregone conclusion**⁴ that you will regret it sooner rather than later. Others **have seen** changes in your love life **coming a mile off**⁵ and it is **touch-and-**

go⁶ whether your current relationship will survive this week. **No prizes for guessing**⁷ who is to blame for the problems. However, you may still be able to get back together. Do not listen to others when they say that **the cards are stacked against**⁸ you. It is always worth **chancing your arm**⁹. Whether you succeed or not **is in the lap of the gods**¹⁰.

- ¹ because you hope you will do or find something or someone even if you do not think success is very likely
- ² despite a lot of problems making it unlikely that you will succeed
- ³ you don't show you're grateful to someone because they are with you so often
- ⁴ the result is obvious to everyone even before it happens
- ⁵ have seen that something, usually something bad, is likely to happen (*a mile off* adds

emphasis and is not always included in the expression)

⁶ not certain (often followed by *whether*)

⁷ it is very easy to guess (usually followed by a question word)

⁸ you are not likely to succeed because there are so many obstacles in your way

⁹ taking a risk to achieve what you want (informal)

¹⁰ not something that you can control yourself

B Luck

possible stimulus	you say	you mean
I got away with missing afternoon school last Friday, so I'm going to try taking all of Friday off next week.	Don't push your luck!	Don't try too hard to get what you want and risk losing what you have achieved.
Would you like to choose which hotel room you want?	We'll take pot luck.	We'll take whatever is available without knowing if it will be good or not.
Do you always get a good horse at the riding stables you go to?	It's the luck of the draw. (draw = competition where winners are chosen at random)	It's a matter of chance and you have no control over it.
You're playing against the best player in the competition!	Just my luck!	You say this, usually humorously, to mean that you are always unlucky.
Did you manage to persuade Jane to come on holiday with you?	No such luck!	You are disappointed you weren't able to do what you would have liked to do.
I dreamt that Elton John invited me to one of his parties last night!	You should be so lucky!	What someone wants to happen is unlikely to happen.

- 6 It was touch-or-go who would win the match.
- 7 We could all see Jan's collapse come.
- 8 Let's go down to the theatre off the on-chance that we can get some tickets that have been returned.

19.4 Choose six expressions that you would particularly like to learn – three from A and three from B on the left-hand page. Write sentences using the idioms in relation to a situation that is significant to you personally.

A Social status and how people see it

example	meaning
He's very nice and friendly, but his brother is very toffee-nosed .	thinks he is of a high social class and looks down on people of lower class (negative)
Don't try putting on / giving yourself airs and graces . Remember, I know that you come from a very ordinary family.	acting as if you were someone of a higher social class than you really are
Everyone was shocked to hear he was involved in crime. He was such a pillar of society .	a solid, respectable and respected member of society
Her new boyfriend's a bit of a rough diamond , but he's very nice really.	a person who seems impolite / of low education at first, but who is usually of good character
She's always giving money to down-and-outs and anyone who begs in the street.	people who have no home, no money and no job, who live on the streets
We can't really afford new furniture, but we have to keep up appearances , so we'll buy some.	continue to live at the same social standard we have lived at, even though we have money problems

B Social status and job/career

- ¹ rose very quickly to a successful position
- ² became well-known
- ³ rising to better and better positions
- ⁴ becoming more and more popular/famous
- ⁵ a new person from outside the company

C Other useful idioms connected with social status/situation

I prefer to keep a low profile at work. I'm not interested in promotion. [not draw attention to myself; be unnoticed]

Oh, you must come to the party! Anybody who is anybody will be there. [all the important people]

Harriet always seems to be the odd one out. She never seems to fit in socially. [different from everyone else]

You can't call someone 'unemployed' any more. The politically correct name is 'unwaged'. [acceptable and non-offensive way of talking about particular social groups; usually used in a mocking or negative way about people who insist on using politically correct language]

Exercises

20.1 Correct the mistakes in these idioms.

- 1 He is always the odd out one. If all his friends do one sport, he does a different one.
- 2 When he lost all his money, he still tried to keep appearances even though he could not afford his lifestyle.
- 3 Sometimes it's better to give a low profile at work. In that way, nobody asks you to do difficult jobs.
- 4 She became a name for herself by being the first woman to climb Mount Everest.
- 5 He's always putting on air and grace, but everyone knows he's just an ordinary person with a very ordinary background.

20.2 Rewrite the underlined part of each sentence with an idiom.

- 1 All the most important people will be at the concert on Friday, so don't miss it.
- 2 It's not socially acceptable to refer to 'underdeveloped' countries any more. If you don't want to offend people, you should say 'developing nations'.
- 3 He was voted 'Best actor who is quickly becoming well-known' of 2001.
- 4 They employed a lot of young people as they felt they needed new people with fresh ideas.
- 5 A lot of the people who live in those huge houses near the beach think they're a better social class than other people and look down on them.
- 6 My boss gives the impression of being rather rude and uneducated, but he's a very nice guy in fact.
- 7 She was a very respectable member of society, but then it turned out she was involved in the illegal drug trade.

20.3 In your own words, say what it means if ...

- 1 ... you're on your way up in your profession.
- 2 ... someone is down and out.
- 3 ... someone is a high-flyer in the computer industry.
- 4 ... someone is toffee-nosed.

20.4 Which idioms do these pictures make you think of?

**FOLLOW
UP**

Look in your Vocabulary notebook or in other units in this book where there are no pictures and see how many idioms you could draw a picture of. Draw simple pictures that might help you to remember three idioms.

A Feeling good, feeling bad

good/positive feelings		bad/negative feelings	
example	meaning	example	meaning
I am/feel on top of the world today. I've just passed all my exams.	very happy indeed	I've been (feeling) a bit down in the dumps lately.	depressed / in low spirits
She was thrilled to bits when I told her she had been picked for the team.	very happy and excited	She's been/felt on edge all day.	nervous, agitated, anxious
Jo was very cool, calm and collected just before the job interview.	relaxed, prepared, in control, not nervous	I just don't know what to do about the problem. I'm at the end of my tether *.	am so tired or annoyed. I just can't deal with the situation any more
When I saw how happy Nancy was with the present we gave her, it made my day .	made me feel very happy/satisfied	I've had my fill of exams. I hope I never do another one for the rest of my life.	had enough (often in a negative sense)
I jumped for joy when they told me I didn't have to do the English test.	felt very glad/happy about something, often a reaction to good news	I'm sick and tired of studying. I just want to get a job and earn money.	have had enough (always negative, much stronger than <i>have your fill</i>)

* A *tether* is a rope used to limit an animal's movements and where it can feed. If the animal reaches the end of its tether, it can't find any more grass to eat, so becomes hungry and unhappy.

B More reactions to events

In this letter to the *Problems* page of a magazine, the context should give you a good idea of the meaning of the idioms in bold.

Dear Paula, I'm 22 and work in an office in London. I have been going out with a boy for the last six months, but lately it has all gone wrong. When I first saw him, he just **took my breath away** – I could hardly speak, he was so attractive and intelligent. We started going out, and after a while he said he loved me. I think this gave me a false sense of security, and I never thought anything bad could happen. But then someone told me he was dating a good friend of mine. The news was so terrible I just **didn't know what had hit me**, and I was so embarrassed I **didn't know where**

to put myself. I asked him about it, but he **didn't take kindly to** the idea that I was suspicious of him. He got a bit angry, and told me that that side of his life had nothing to do with me. I **have mixed feelings** about this news, sometimes I feel positive, sometimes very down, and I **don't know which way to turn**. What should I do? Should I finish with him, or should I accept his right to have other dates apart from me? I still love him.

Yours,

Diana Hoe

The threat of an earthquake looms large in the lives of the city's inhabitants.	something which could happen and which is a huge worry for people

B Inch, mile and distance

Note: Although British people now use metric measurements, many expressions are still used which include old measurements. An inch is 2.54 centimetres, a mile is 1.6 kilometres.

Mary: Is she willing to change her mind?

Tom: It's obvious Ruth really likes Jack.

Tony: No, she refuses to **budge an inch**.
[refuses to change her position even a little bit]

Noel: Yes, you can **see/spot that a mile off!**
Or it sticks/stands out a mile.
[it's very easy to see / obvious]

Luke: Are you listening to me?

Dave: It's a very ugly hotel and the food's awful.

Anne: Sorry, I was miles away!
[not concentrating, but thinking about something else]

Fran: Yes, it's a **far cry** from that lovely hotel we stayed in last year.
[very different from]

C Other related expressions

Relatives are nice **in small doses**, but can be very boring if they stay a long time. [you like them only for short periods]

His new house cost **a small fortune**. [a huge amount of money]

You can buy sunglasses in **all shapes and sizes** these days. [in a wide variety of types/sizes, etc.]

Joss is **an unknown quantity**. We'll have to be careful with him. [we know very little about him]

A One man's career

When Simon started work, he was at the very **bottom of the career ladder**¹. He had quite a **dead-end job**² doing **run-of-the-mill**³ tasks. He stayed there for a couple of years, but then decided he had to **get out of a rut**⁴. He **pulled out all the stops**⁵ and managed to persuade his manager that he should be given more responsibility. The deputy manager **got the sack**⁶ for incompetence and Simon **stepped into his shoes**⁷. For several months he was **rushed off his feet**⁸ and he **had his work cut out**⁹ to keep on top of things. But he was soon recognised as an **up-and-coming**¹⁰ young businessman and he was **headhunted**¹¹ by a rival company for one of their top jobs. Simon had **climbed to the top of the career ladder**¹².

- ¹ in a low position in a work organisation or hierarchy
- ² job without a good future
- ³ boring, routine
- ⁴ escape from a monotonous, boring situation (see picture of horse)

- ⁷ took over his job
- ⁸ very busy
- ⁹ had something very difficult to do
- ¹⁰ becoming more and more successful
- ¹¹ invited to join a new workplace which had noticed his talents
- ¹² got to a top position in a work organisation or hierarchy

B Being busy

To be **rushed off your feet** is just one way of saying that you are very busy at work. Here are some other idioms which give the same idea.

Are you very busy at work at the moment?

Yes, I'm **snowed under**.

Yes, I've certainly **got my hands full**.

Yes, I'm **up to my eyes/ears in work**.

Yes, I'm **on the go** all the time.

C Other idioms connected with work

Plans for building the extension have been **put on hold** until our finances are in a better state. [*left until a later date (usually used in the passive)*]

The plans look great **on paper**, but you never know quite how things will turn out, of course. [*when you read about it, but might not turn out to be so*]

A lot of preparation has gone on **behind the scenes** for the opening ceremony for the Olympics. [*in secret, often when something else is happening publicly*]

Please don't **talk shop**. It's too boring for the rest of us. [*talk about work when you are not at work*]

Communication 1: commenting on language

A Commenting on things people say

In these remarks, the speaker uses an idiom to repeat or sum up the underlined part of what he/she has just said.

I knew everything Bella said was completely untrue. It was all a pack of lies.

I didn't say it seriously or even think about it. It was just an off-the-cuff remark.

I find it very hard to believe he was just hugging her because he thought she was feeling sad. That's a likely story!

I'm sorry. I said 'Iceland', but I meant 'Ireland'. It was just a slip of the tongue.

We didn't talk about any serious topics, you know, just the weather, holidays, that sort of thing. It was just small talk really.

He just said two completely opposite things. He said he wanted to marry me and live with me, and in the same breath he said he wanted to go off travelling on his own.

They asked me to make a speech, but I was so overwhelmed by the presents they gave me I couldn't think of anything to say. I was completely lost for words.

I have a feeling inside me that what she said was a lie. It just didn't ring true.

I couldn't understand what he was trying to tell me. I just didn't know what he was on about. (very informal)

B Commenting on the words you are using

You ask if I think we should help him. In a word, no. [said when you are about to give your opinion in a short, direct way]

I think he's behaved very stupidly. He's an idiot, for want of a better word. [not quite the exact or best word, but good enough for the situation]

I was, to coin a phrase, as sick as a parrot. [said when you use a phrase that sounds a bit silly]

C Joking and being serious

joking	meaning	serious	meaning
People are always taking the mick/mickey out of him.	laughing at him, by copying funny things he does or says	Hiccups are funny when other people have them, but they're no laughing matter when you get them yourself.	not something to laugh at, quite serious
We shouldn't make light of her troubles; she's very upset.	treat as a joke something that is serious	I have to do the work of three people. It's no joke .	used about serious or difficult situations

Exercises

27.1 Answer these questions.

- 1 If someone says 'Swedish' instead of 'Swiss' then quickly corrects themselves, what can we call this?
- 2 If someone makes people laugh by copying the way someone else talks, what are they doing to that person?
- 3 If someone can't find words to express their feelings, what are they?
- 4 If two people talk about the weather, or about hair styles, just to pass the time, what kind of a conversation is it?
- 5 If someone tells stories or relates a series of events which are all deliberately untrue, what can we call it?

27.2 Use the idioms from exercise 27.1 to rewrite these sentences.

- 1 I didn't know what to say. I
- 2 Not one word of his story was true. It
- 3 I didn't mean to say it; it
- 4 I didn't mean to offend her. I was just
- 5 It wasn't a very serious conversation, just

27.3 Rewrite each sentence with an idiom that means the opposite of the underlined words. Make any other changes necessary.

- 1 She's had a big personal problem. We should have a good laugh at it.
- 2 He told me he had studied maths at Harvard, and it sounded as if he was telling the truth.
- 3 She said she was a princess who had lost all her money and position in a revolution.
That's a story anyone can believe!
- 4 She has to get up at 5 a.m. and drive 50 miles to work every day. It's great fun.
- 5 I said I thought she should get herself a boyfriend. It was a carefully prepared remark.

27.4 Complete the crossword.

Across

- 3 Do I want to be a millionaire?
In a, no.
- 4 You can do this to a phrase.
- 5 I don't know what you're on
.....

Down

- 1 She said it in the same
- 2 Stop taking the!
- 3 For of a better word.

Communication 2: getting the message across

A Ways of expressing yourself

example	meaning
The message from doctors and researchers has come through loud and clear : smoking harms your health.	clearly and very definitely
You mustn't be afraid to speak your mind ; it's important that everyone hears your views.	state your opinion very clearly and openly
She told me the bad news in a very matter-of-fact way.	without any feeling or emotion

B Problems with communication

In these conversations, the second person repeats or sums up what the first person says using an idiom.

Brian: I told Henry a dozen times not to use that computer, but he still keeps asking if he can.

Liz: Yes, he just won't take **no for an answer**.

Anna: Jim just never stops! You try to tell him something and he goes on talking while you're talking.

Olivia: I know, it's impossible to **get a word in edgewise**.

Rita: I was trying to tell Liam that I know who stole the key, but he just kept talking about how expensive new locks are, which is a different question altogether.

Steve: I know. It's completely **beside the point**.

Gina: I think Carol completely misunderstood the main thing we were trying to say.

Gail: Yes, she completely **missed the point**.

C Other useful idioms connected with communication

Don't ask Ken to relax. He **doesn't know the meaning of the word**. [it is pointless to talk to him about relaxing; it's not in his character to do so]

She repeated what the doctor said **word for word**. [the exact words the doctor had used]

If I were you, I'd read **the small/fine print** before you use your new credit card. [the rules, restrictions and conditions, which are often written in very small letters]

To ask me to look after her three children for a week is rather a **tall order**, don't you think? [a task, request or favour which is not reasonable / too big to ask someone to do]

Whether she is cleverer than her brother is a **matter of opinion**. [something different people will have different opinions about – it usually means you don't agree with the idea]

There's a **question mark (hanging)** over the future of the tennis club. [nobody knows if it will continue to exist or not]

English is a **lingua franca** in a lot of countries nowadays. [*lingwa 'fræŋkə* a language used for day-to-day public communication, which is not the speakers' own language]

Exercises

28.1 Match each idiom on the left with the situation in which it could be used on the right.

- | | |
|-------------------------------|-------------------------------------------------------|
| 1 get a word in edgeways | She keeps on asking, even though we said no. |
| 2 miss the point | She told me exactly what her friend said. |
| 3 speak your mind | It's impossible to interrupt her, she talks non-stop. |
| 4 won't take no for an answer | She didn't really understand what I wanted to say. |
| 5 (repeat) word for word | He doesn't hide his personal opinions at all. |

28.2 Use the idioms from exercise 28.1 to rewrite these sentences.

- Hilary will never just accept a refusal.
- Joss always states his opinions quite openly.
- Sally never seems to understand what we're trying to say to her.
- She told us everything the teacher said to her in every detail.
- I tried to tell her, but it was impossible to interrupt her.

28.3 Answer these questions.

- There's a question mark hanging over the whole wildlife area project.
In your own words, what's the problem?
- It's no good asking her to help. She doesn't know the meaning of the word.
Does she usually help people? Explain.
- If you read the small print, you'll see you can't get your money back.
Where do we usually find *small print*? What is another way of saying this idiom?
- Tom: Miranda's a brilliant musician.
Sue: That's a matter of opinion.
Does Sue think Miranda's a brilliant musician? Explain.
- English is a lingua franca in several Asian countries.
Is English the official language in these countries? Explain.

28.4 Complete each of these idioms.

- The government's message to the voters is and clear: vote for us and we'll reduce taxes.
- I think it's rather a to ask students to write a 500-word composition in one hour. It would take at least two hours.
- That has nothing to do with what we are talking about; it's completely the point.
- He has a very way of telling you things: no emotion or feelings whatsoever.

Try to collect more idioms connected with speaking, writing and communicating in general. Look up keywords connected with these topics in a good general dictionary or in an idiom dictionary and see what idioms you find, for example, words like *talk*, *speak*, *hear*, *word*, etc.

A Proverbs

A proverb is a short statement usually known by many people. It states something that is common experience or gives advice. Here are some examples.

<i>you say</i>	<i>you mean</i>
Absence makes the heart grow fonder.	Being apart from someone you love makes you love them more.
Actions speak louder than words.	What people do is more important than what they say.
There's no point / It's no good crying over spilt milk.	There's no point in getting upset over something bad that's happened when you can't change it.
Don't put all your eggs in one basket.	It is not a good idea to put all your efforts or all your money into one project as, if it fails, you may lose everything.
Many hands make light work.	A job is done quickly and easily if plenty of people help.
Blood is thicker than water.	Family relationships are stronger than any other relationships.

B Half proverbs

There are a number of proverbs, which we often use only half of. The endings are so familiar that it isn't necessary to say them. Here are some examples.

<i>you say</i>	<i>ending of proverb</i>	<i>you mean</i>
Too many cooks	spoil the broth.	If too many people work on something, they will spoil it.
People who live in glass houses	shouldn't throw stones.	People shouldn't criticise other people for faults that they have themselves.
It's the last straw	that breaks the camel's back.	Something is the last in a series of unpleasant events, and which finally makes you feel that the situation cannot continue.
While the cat's away,	the mice will play.	When the person in authority is not there, other people will not do what they should do.
Take care of the pennies/pence	and the pounds will take care of themselves.	If you don't waste small sums of money, you'll end up with plenty of money.
Birds of a feather	flock together.	People who have similar characters or interests will often choose to spend time together.
A bird in the hand	is worth two in the bush.	It's better to keep what you have rather than to risk losing it by trying to get more.
The grass is always greener	on the other side of the fence.	Other people always seem to be in a better situation than you.
All work and no play	makes Jack a dull boy.	Someone who spends all their time working becomes a boring person.

I can't say if I like the job or not. It's early days yet .	it's too soon to say/decide
In the long run you'll see it was the right decision.	a long time from now

B Other related time idioms

He spends money like **there's no tomorrow**. [eagerly and very quickly (or, more formally, as if there was/were no tomorrow)]

At the **end of the day**, you have to be a little selfish. [something you say before stating a very important fact or idea]

The fact that he had been dead for a week in his apartment before anybody found him is a **sign of the times**. [something that shows that society now is worse than it was in the past]

TIP

Although the idioms on this page do not all contain the word *time*, their meanings are all related to time in some way. Grouping idioms by meaning is another way of learning them, in addition to grouping them by keywords.

Exercises

31.1 Match each idiom on the left with the situation in which it could be used on the right.

- | | |
|-------------------------------|-------------------------------------------------------------------------|
| 1 it's early days yet | Someone shows you a car which is driven by solar energy. |
| 2 within living memory | You tell someone about a very ancient tradition. |

| 4 the shape of things to come | Someone asks you if you like an English course after only one day. |
| 5 on the threshold of | Someone is spending all their savings carelessly. |
| 6 like there's no tomorrow | Never, for as long as anyone can remember, has there been so much rain. |

31.2 Write an appropriate comment for each of the situations in exercise 31.1 using the idiom you chose.

- This car really is ...
- People have been doing this every spring
- A scientist is ...
- I've only been to a couple of lessons,
- Jim's spending money
- There's never been rain like this

31.3 Rewrite the underlined part of each sentence with an idiom.

- Some time soon we will inevitably discover life on other planets.
- I think the main point is that you can never trust a politician.
- I never learnt the piano as a child, so I'm solving that problem now by taking lessons.
- Looking at just the next few years, the economic situation looks good, but looking at the next 30 to 40 years, the outlook is not so good.
- This bicycle is a bit old and broken down now. I should really get a new one.
- Could you use this computer just temporarily till the new one arrives?
- It's a typical thing about the time we live in that you can't speak to a real human being when you telephone the bank. All you get is an automatic voice.
- This milk has an old date on it. I'll throw it away and open a new carton.
- It costs a lot of money now, but over a longer period it will be a good investment, I'm sure.

31.4 These idioms involving *time* are not on the left-hand page. Using a dictionary if necessary, see if you can find the missing prepositions. Then choose the most suitable paraphrase.

- I felt as if I was ... a time warp as I sat in the ancient cottage talking to the old man.
 - time was passing very slowly
 - I felt as if I had gone back in time to a different era
- My dad can remember the first home computers, but that was ... my time.

 - I like and respect him
 - I spend a lot of time with him
- I turned off the water supply in the nick ... time. Five minutes later and the whole house would have been flooded!
 - just in time to prevent a disaster
 - very quickly indeed
- Shakespeare's plays have stood the test ... time. They are as powerful today as they were hundreds of years ago.
 - have never been changed
 - have not been weakened by the passing of time

A

Clocks / time passing

<i>If you ...</i>	<i>then you ...</i>
work against the clock to get something done/finished	work fast because you only have limited time
do something in no time at all	do it very quickly
call it a day	decide to finish (usually finish working)
don't have a minute to call your own	are very busy indeed
do something there and then (or then and there)	do it immediately, right at that moment
get up / start at the crack of dawn	start very early in the morning

Jake **worked against the clock** to get the report finished before the meeting.

The homework is very easy. You'll be able to do it **in no time at all**.

I'm really tired. Let's **call it a day** now and come back to it next week.

Ever since the twins were born, I **haven't had a minute to call my own**.

If a new idea is suggested, Allan is always keen to try it out **there and then**.

As our plane was leaving at 8 a.m., we had to get up **at the crack of dawn** to be at the airport on time.

B

Frequency

These idioms refer to how often (or how rarely) something happens.

<i>idiom</i>	<i>meaning</i>
once in a lifetime	never likely to happen again
once in a blue moon	very rarely
once and for all	finally and definitely
off and on / on and off	sometimes, but not regularly or continuously
from time to time	sometimes, but not regularly
nine times out of ten	almost always

RARELY

MORE FREQUENTLY

FREQUENTLY

C

Other time idioms

If something goes/works/runs like **clockwork**, it happens exactly as planned and without problems.

If you do something / start **from scratch**, you go right back to the beginning and start again.

TIP

Wherever possible, put groups of idioms onto a scale, like the frequency scale in B above. You could use scales for idioms connected with size, feelings, difficulties, etc.

Exercises

32.1 Complete each of these idioms.

- 1 It runs like
- 2 We set off at the crack
- 3 We were working against
- 4 I've had enough. Let's call
- 5 It happens this way nine

32.2 Match each idiom on the left with the sentence on the right which best reflects its meaning.

- | | |
|-----------------------------------------|-------------------------------------------------------|
| 1 there and then | Bill plays golf occasionally, but not often. |
| 2 once in a blue moon | Paula looks after three kids and has a full-time job. |
| 3 in no time at all | The doctor examined me immediately. |
| 4 off and on | I only see Patrick very rarely. |
| 5 doesn't have a minute to call her own | The new house was built very quickly. |

32.3 Complete these idioms with prepositions.

- 1 scratch
- 2 once a lifetime
- 3 once and all
- 4 time time
- 5 work the clock
- 6 nine times ten

32.4 Choose four of the idioms from exercise 32.3 and write a sentence for each one to illustrate its meaning.

32.5 Rewrite the underlined part of each dialogue with an idiom.

- 1 A: Do you go and see your mother and father very often?
B: Well, occasionally, but not on a regular basis.
- 2 A: Should we wait and do it as and when we need to?
B: No, I think we should do it now, so that we never need to do it again.
- 3 A: Shall we try and speak to Mr Sanders about it?
B: Well, we can try, but on almost every occasion he's too busy to meet anyone.
- 4 A: The boss wants this report by Friday!
B: Well, we'll just have to work very fast to get it finished by then.
- 5 A: Do you want to go on working a bit longer?
B: No, I've had enough. Let's finish now.

'It must be the crack of dawn.'

A Earth

idiom	meaning
He's the salt of the earth .	a very good and honest person
She'd go to the ends of the earth to save her child.	do anything possible
The royal couple were run to ground in Wales.	discovered after a lot of searching
All my warnings fell on stony ground .	were ignored

B Air

If you **pluck a number out of the air**, you choose one at random.

If someone **blows hot and cold**, they sometimes seem to like someone or something and sometimes don't so that others are confused about how they really feel.

If you **get wind of something**, you hear information that others hoped to keep secret.

If you see how / which way the **wind is blowing**, you decide to see how a situation develops before making up your mind about it.

C Fire

Tanya is **playing with fire**¹, agreeing to go out with Rick. Rumours about his violent temper have been **spreading like wildfire**² ever since he moved to the area. Of course, most people sometimes say things **in the heat of the moment**³ that they do not really mean and I don't know how much truth there is in the rumours. However, you can't help thinking that **there's no smoke without fire**⁴. Anyway, don't **add fuel to the flames/fire**⁵ by criticising Rick in front of Tanya as you'll only make her keener on him.

¹ doing something that could be dangerous (*play* in this idiom is normally used in continuous tenses)

² going round very quickly

³ without thinking because they are angry or excited

⁴ if people are saying something is true and you don't know whether it is true or not, it probably is true

⁵ do something to make a bad situation worse

D Water

idiom	meaning
in deep water	in a difficult situation which is hard to deal with
out of your depth	in a situation that you do not have the knowledge or skills to deal with
jump / throw someone in at the deep end	do or make someone do something difficult without giving them any help
in hot water	in a situation where people are angry with you
be between the devil and the deep blue sea	have to choose between two equally difficult options
be a drop in the ocean	be a very small amount in comparison to what is needed

Exercises

33.1 Match each idiom on the left with its definition on the right.

- | | |
|-------------------------------|----------------------------------------|
| 1 get wind of something | move very fast |
| 2 go to the ends of the earth | be an insignificant part of something |
| 3 spread like wildfire | observe how a situation is developing |
| 4 be in deep water | make a difficult situation worse |
| 5 be a drop in the ocean | be in a difficult situation |
| 6 blow hot and cold | hear about something secret |
| 7 see how the wind is blowing | react in different, unpredictable ways |
| 8 add fuel to the flames | do everything you can |

33.2 Rewrite each sentence with an idiom. Use the keyword in brackets.

- You'll be fine working for someone like that – he's a very decent man. (EARTH)
- Unfortunately, no one paid any attention to my advice. (GROUND)
- Unfortunately, her angry words have only made the situation worse. (FUEL)
- I think Rosie must be in trouble – the boss has asked to see her at once. (WATER)
- Lance doesn't really have the experience to cope with his new job. (DEPTH)
- Spreading rumours like that is a risky thing to do. (FIRE)
- Choose a number at random and multiply it by 3. (AIR)
- The police were unable to find where the escaped convicts were hiding. (GROUND)

33.3 Put the words in order and make sentences.

- like / The / of / news / wildfire / spread / their / divorce
- the / the / sea / devil / blue / between / I'm / deep / and
- no / fire / There / smoke / is / without
- heat / the / of / Don't / anything / moment / in / say / the
- and / I / the / cold / hot / he / way / blows / hate

catch someone red-handed	catch someone at the moment they are doing something wrong	He was caught red-handed stealing money from the cash register.
a red herring	something unimportant that takes attention away from the main subject	Then he started talking about the cost of a new computer, which was a red herring, because we've got plenty of computers.

B Blue

I argued with Tim till I was **blue in the face**, but he wouldn't listen. [say the same thing many times, but someone refuses to listen]

I think there's **blue blood** in her family; her great-grandmother was a Russian princess. [belonging to the highest social class / aristocratic]

Blue-collar workers at the local car factory were on strike for six weeks. [workers who do physical work, especially in factories] (See *white-collar* in D below.)

C Green

example	meaning
I was green with envy when she got the job.	very envious
My mother's got green fingers . Everything she plants in the garden grows well.	is a very good gardener
The boss has given the project the green light .	given permission for something to start
Our house is in the green belt , so no other houses can be built near it.	countryside around a town or city which is protected from building development

D Black, white and grey

White-collar workers¹ at the Mirage car factory have gone on strike over pay and conditions. The union says management has broken an agreement, and it wants a new one in **black and white**². The management says that the agreement is a **grey area**³ that must be made clear in proper discussions. Meanwhile, the factory owners, the Merschott Company of Germany, consider that the plant is a **black hole**⁴, into which more and more money is disappearing. They are threatening to close the factory altogether.

- ¹ workers who work in offices, not doing physical work
- ² written, not just a spoken agreement
- ³ something that is a problem, and is not very clear because there are no rules
- ⁴ something which has no bottom, and everything put into it just disappears

Exercises

34.1 Match each newspaper headline with its text.

- HEALTH SERVICE BUDGET JUST A BLACK HOLE, SAYS MINISTER**
- GOVERNMENT PROMISES TO DEAL WITH GREY AREA OF INTERNET LAW**
- GREEN BELT ROUND LIVERPOOL EXTENDED**
- BLUE-BLOOD CHILDREN NO MORE INTELLIGENT THAN OTHERS, SAY SCIENTISTS**

A

There was a real need to protect the environment from further damage, the Director of Planning said.

C

Any claim to the contrary simply could not be proved, said Doctor Willis, one of the team who investigated twenty upper-class families.

B

It was not at all clear what the situation was, and it was now time for governments to co-operate to clarify things.

D

Every year, more and more money simply disappears, without any real results in terms of improvements, she said.

34.2 Answer these questions.

- Which colour workers work in offices and which ones do physical work?
- What colour are you if you wish you had something someone else has?
- What colour are you if you repeat something, but the other person pays no attention?
- What colour is your bank balance when you have spent more money than there was in it?
- What colour light do you see when someone gives you permission to do something?

34.3 Use the idioms from exercise 34.2 to complete these sentences.

- I was absolutely with when she won a trip to Los Angeles.
- I'm 750 pounds the , and the bank has asked me to pay it back immediately.
- The workers are on strike, but the office staff are still working.
- You can talk to her till you're in the ; she won't listen.
- If the city authorities the light to the new conservation project, it will begin next year.

34.4 Rewrite the underlined part of each sentence with an idiom.

- I want to see a contract in written form, not just an informal agreement.
- I wanted to apply for a visa, but a friend told me there are so many forms to fill in and complicated rules, so I've decided to forget it.
- My new house has a big garden, but I'm no good with plants, so I'll probably never do any gardening.
- She was caught just as she was stealing food from the school kitchen.
- He's always introducing unimportant points into the discussion which distract everybody from the main argument.

A Ball games

Right then, I've **started the ball rolling**¹ by telling you what I think our company should do now. I would like anyone who has any comments or questions to speak now. **The ball is in your court**². Don't forget that our rival companies are **on the ball**³ and if we don't act quickly and do something **off our own bat**⁴, they will. I know my proposals will involve people doing overtime, but I hope that the workers may agree to **play ball**⁵ given the circumstances we are all in. It's not our fault we are in this situation. Different rates of tax in different countries mean that we are not competing on a **level playing field**⁶.

- ¹ started an activity and encouraged others to join in
- ² you have to do something now before any progress can be made
- ³ quick to understand and react
- ⁴ on our own initiative, without being asked to by anyone else
- ⁵ co-operate in order to achieve something (usually used in a negative context)
- ⁶ in a fair situation

B Cards

If you **play your cards right**, you behave in the right way to achieve what you want. It is informal and is often used in the expression *If (you) play (your) cards right, ...*

If you **put/lay your cards on the table**, you tell someone honestly what you think or what you plan to do.

If you **pass the buck**, you blame someone or make them responsible for something that must be done next (from an object used in the card game poker).

If you **follow suit**, you do the same as everyone else has just done. (This is a reference to playing the same suit, i.e. hearts, diamonds, spades or clubs, in cards.)

If you **call someone's bluff**, you make someone prove that what they are saying is true or prove that they will really do what they say they will do, because you don't believe them. To call someone's bluff in a card game is to force them to show you their cards.

C Miscellaneous sports and games

sport or game	idiom	meaning
swimming	take the plunge	do something important or difficult that you've been thinking of doing for a long time
board games	go back to square one	go back to the beginning of a project, because previous attempts have failed
archery	be wide of the mark	be wrong or miss what you were trying to hit
horse-riding	do something on the spur of the moment (spur = metal on boot which makes horse go faster)	do something suddenly, without planning
tarot cards (used for fortune-telling)	be on the cards	be likely to happen
gambling	your best bet	the best thing you can do to achieve the result you want
roulette	when the chips are down (chips = gambling pieces)	when you are in a difficult situation, especially one which tests whether you can trust people

Exercises

35.1 Which idioms do these pictures make you think of?

35.2 Match the beginning of each sentence on the left with its ending on the right.

FOLLOW UP

Can you find any idioms related to your favourite sport or game? You might be able to find some by looking up keywords relating to that sport or game in a good English–English dictionary or a dictionary of idioms. For example, if you are interested in horse-riding, you might look up *horse*, *saddle*, *reins*.

In this unit and in Unit 37 we look at idioms connected with animals. Here we look at ways of describing people and their actions. In Unit 37 we look at using animal idioms to describe situations.

A Animal names

These idioms are based on compound nouns related to animals.

A person who ...	is ...
is a dark horse	someone who is clever or skilful in a way that no one knew or expected
is a lone wolf	someone who does not mix socially with other people
is a cold fish	someone who is not very friendly and does not show their feelings
is/acts as a guinea pig <small>ɡɪˈniː piːɡ</small>	someone who acts as a subject in an experiment or trial of something
is a party animal	someone who loves parties and socialising
would love to be a fly on the wall	someone who would love to be present to see an important private or secret event

Note also:

There was a **fly-on-the-wall** documentary on TV last night about hospital waiting-rooms. [programme filmed in a real-life situation, sometimes with hidden cameras]

B People's characters and their actions

John's **bark** is worse than his bite. [he may seem fierce/tough, but he is not really]

You don't need to be afraid of him. He **wouldn't hurt a fly**. [is totally harmless and would never hurt anyone]

Larry's really got **the travel bug** ever since he won that holiday in the Caribbean. [a strong desire to travel (*bug* here means virus; the original meaning of *bug* is a small insect)]

She's working very hard for her exams. She's really **got/taken the bit between her teeth**. [has started to work/act in a very determined way (a *bit* is a piece of metal put between a horse's teeth to control it)]

They've **given me free rein** to do what I like in this new job. [complete freedom (*reins* are what you hold in your hands to control a horse when riding)]

Tim: How did you know I was getting married?

Linda: A **little bird told me**. [said when someone has told you a secret, but you do not want to say who]

As soon as the meeting was over, we all **made a beeline for** the food. We were so hungry! [went quickly and directly to]

I always **have butterflies in my stomach** just before an exam. [feel very nervous]

I **made a real pig of myself** last night, so I'm not going to eat any lunch today. [ate too much]

I have so much work to do these days. I'm just **chasing my tail** trying to catch up. [doing a lot, but it is all pointless / without effect]

Exercises

36.1 Which idiom from the left-hand page can be used to describe ...

- 1 ... a person who has hidden or unexpected skills or talents that no one knows about?
- 2 ... a person who loves parties?
- 3 ... a person who is the subject of an experiment or trial of something new?
- 4 ... a person who is not very friendly?

36.2 Here are some facts about animals. Which idioms on the left-hand page are based on them?

- 1 When you ride a horse, it has a *bit* in its mouth, which is a metal bar that helps you control the horse.
- 2 A bee can fly in a straight line back to a place where it found food.
- 3 Wolves usually hunt together in a group or pack.
- 4 Dogs will often bark more out of fear than out of aggression.
- 5 Cats and dogs often run round in circles thinking their tail is running away from them.
- 6 Pigs have a reputation for eating a lot of food very quickly.

36.3 Use the idioms from exercise 36.2 to repeat or sum up what the first speaker says.

- 1 Jack: Harry never seems to want to go out with other people.
Pat: No, he's a bit of ...
- 2 Liam: Are you busy these days?
Chris: Busy! It's ridiculous! I try to keep up with things, but I'm just ...
- 3 Keith: Dan is in the boss's office again today. That's the third time this week he's gone to complain about the computers.
Mike: Yes, he won't give up. He's really got ...
- 4 Orla: You seemed to be enjoying your lunch today!
Fiona: Yes, I ... I feel so full now!
- 5 Brian: Philip scared everyone yesterday. He looked really angry.
Eve: Oh, don't worry about him. His ...
- 6 Alan: Look at Charles! He's already talking to a gorgeous girl over there!
Joe: Oh yeah, he always ... for the prettiest girl in the room.

36.4 Complete each of these idioms.

- 1 Big Joe is quite harmless really, although he looks tough. He wouldn't ...
a ...
- 2 I already know about Jill getting divorced. A ... told me.
- 3 I hate making a speech to a big audience. I always get ... in my ...
- 4 It's a very unusual school. The pupils are ... free ... to do just what they like.
- 5 I really got the travel ... after I went on a trekking holiday to Nepal. I can't wait to go away again.
- 6 I'd love to be a ... on the ... when Nigel tells the boss he's resigning.

A Cats and dogs

In the 'situation' box, note how the 'if-clause' tells you whether the idiom is normally used with things (something), people (you) or with an impersonal construction such as *there is*.

situation	idiom	meaning
If something	goes to the dogs	it goes from a good situation/condition to a bad one
If you	let the cat out of the bag	you accidentally tell people a secret / something you should not tell them
If you	put the cat among the pigeons	you create a crisis or a problematic situation
If there is	not (enough) room to swing a cat	there is very little room or space somewhere

The country **has gone to the dogs** since the new government took over.

We didn't tell anyone the news, but she **let the cat out of the bag** and now everyone knows.

Kim's report really **put the cat among the pigeons**. Now everyone's in a state of crisis.

There's **not enough room to swing a cat** in our flat, so I don't think a party is a good idea.

B Other animal-related expressions

In these dialogues, the second speaker uses an idiom to repeat and sum up the situation described by the first speaker.

Ron: Everyone is so selfish. They would sell their own mothers to get what they want, and they don't care how much other people suffer.

Tania: Yes, it really is **the law of the jungle**. It's very depressing.

Mary: We shouldn't even think of discussing the voting system for the committee. It's very complicated and unfair in many respects, and could raise huge problems.

Ricky: I agree. It's a real **can of worms**. I think we should avoid discussing it.

Iris: If you ask me, it's a waste of time complaining to Robert. He doesn't take any notice, no matter how often you do it or no matter how angry you get.

Pat: Yes, it's **like water off a duck's back**.

Roger: We're all overworked and in a panic. We're trying to solve too many problems, and ending up not achieving anything!

Nancy: Yes, I agree. We're all just **running round like headless chickens**.

Note also:

I don't use **snail mail** these days. E-mail's easier. [the post, often said humorously when contrasting with e-mail]

I don't know if anyone would really want a job like this one, but we could **put out feelers** and see if anyone is interested.
[make informal enquiries; talk to people unofficially]

These are antennae or feelers.

TIP

When recording idioms in your Vocabulary notebook, make notes of typical situations in which they can be used. For example: *go to the dogs* – typical situation: a restaurant that was very good before is very bad now.

Exercises

37.1 Rewrite each sentence with an idiom that means the opposite of the underlined words.

- 1 There's plenty of room at my house.
- 2 I'll let you know by e-mail.
- 3 Peter has not told anybody the secret news.
- 4 The economy is getting better and better.
- 5 The office staff were working very calmly and efficiently.

37.2 Which idioms do these pictures make you think of?

37.3 Match each of the idioms from exercise 37.2 with one of these sentences.

- a) What she said has raised some horrible problems which we'd all prefer to forget.
- b) Oh dear! That is really going to cause huge problems and upset absolutely everybody!
- c) You can insult him and be really awful to him, but he just never seems to care or even notice.

37.4 Answer these questions.

- 1 If you tell someone a secret, what do you let the cat out of?
- 2 What can you put out in order to test whether people are interested in an idea?
- 3 What kind of law do wild animals obey?

37.5 Use a dictionary to find the missing words in these animal idioms if you do not know them.

If you think you know the idioms, write your answers and then check them in a dictionary. Make a note of the meaning of the idioms in your Vocabulary notebook.

- 1 take the bull by the
- 2 kill two birds with one
- 3 at a snail's
- 4 like a bear with a sore
- 5 a 's breakfast.

37.6 Use the five idioms from exercise 37.5 to rewrite the underlined parts of this paragraph.

I was trying to finish my essay for my English class by the end of the week, but it all seemed to be going very slowly and I was not very motivated. So I decided to face the situation and act positively. I stayed up until after midnight every day for four days and worked on my essay. I was tired in the mornings, and went round feeling very bad-tempered and irritable all day, but, in the end I managed to do two useful things in one go: I finished the essay and I read a number of important books I should have read weeks ago. My last essay was a bit of a mess, but I'm hoping this one will get a better grade.

FOLLOW UP

Think of two animals which have idioms connected with them in your language. Then use a dictionary to see if there are any idioms connected with these animals in English.

A Idioms based on guns and knives

If you ...	then you ...
bite the bullet	face a difficult situation and act decisively / do not avoid it
jump the gun	do something too soon, before you should do it
stick to your guns	don't let other people change your mind/ideas/principles
look daggers at someone	look at them in a very angry or hateful way
put the knife in	deliberately do or say something really hurtful to someone
twist the knife	do or say something which makes a bad/hurtful situation even worse

B Idioms connected with firing/shooting

In these dialogues, the second speaker uses an idiom to repeat part of the question.

Henry: Have you ever tried snowboarding?

Nigel: No, but I'd like to **have a shot at** it one day.

Carol: Now that you're the Head of Department, do you find people always blame you immediately for any problems that arise?

Liz: Oh yes, I'm **in the firing line** all the time.

Mick: So it's Peter Smith who makes all the important decisions and has all the power?

Rita: Oh yes, Peter Smith **calls the shots** these days.

Hilary: It must have been awful for you, being in the middle of such a terrible argument between Roz and Barbara?

Jane: Yes, I was really **caught in the crossfire**; I found it very difficult.

Aaron: So you think we should wait and not ask for the funds yet?

Beth: Yes, I think we should **hold fire** till the future is more certain.

C War and fighting in general

The village people are **up in arms** over the plan to build a motorway very near their homes. [angry and protesting loudly]

Jim's **his own worst enemy** when it comes to getting promotion at work. He's just so negative about everything. [his own attitude/behaviour will prevent him from reaching his goal]

I think you're **fighting a losing battle** trying to get a pay rise. The boss never listens to anyone. [trying to achieve something that you will probably fail to achieve]

I wouldn't give up this job till you're absolutely sure you've got the new one if I were you. You don't want to **burn your bridges**. [do something that makes it impossible to go back to a situation you were in before]

Joe can be very boring sometimes. He always seems to **have an axe to grind**. [has a strong view or opinion and wants to persuade everyone he is correct; normally used critically]

When it comes to the crunch, I won't let you down. [when a situation becomes serious or difficult]

I think we've found a **chink in his armour**. [a weak point that we can exploit / take advantage of]

Exercises

38.1 Complete each of these idioms.

- 1 She was looking at me last night. I wonder what I've done to upset her?
- 2 Her last remark was so hurtful, especially as I was already upset. I think she was just trying to the even further.
- 3 I really think you should the bullet, and go and speak to him.
- 4 She to her and didn't sign the contract. So they've changed it.
- 5 You're the gun. Wait till we know whose fault it was before you complain.
- 6 Freddy really puts the in sometimes. He is capable of saying such cruel things.

38.2 What could you say? Using idioms from the left-hand page, tell someone ...

- 1 ... who is trying to persuade the teacher to tell you the exam questions before the exam takes place that they will not succeed.
- 2 ... that if a real crisis occurs, you will be there to support them.
- 3 ... that you yourself are the main problem when it comes to trying to save money.
- 4 ... that they will be the one to face all the criticisms and complaints in their new job.
- 5 ... that you'd like to try bungee-jumping one day if you ever get the chance.
- 6 ... that they should wait before they send a very angry letter they've written.

38.3 Horoscopes often use idioms. Read these horoscopes and then say or write exactly what you would tell a friend with that birth-sign about their future, without using the idioms.

TAURUS Someone you thought was a good friend will say something very hurtful today, and later on will twist the knife even further. Stay calm and don't lose your temper.

GEMINI Two people you like and respect will quarrel today, and you'll be caught in the crossfire. Try to stay neutral, or you'll risk losing a good friend.

CAPRICORN Someone close to you will try to tell you what to do, but it's time you called the shots, so don't be afraid to make your own decisions.

VIRGO You've always thought of yourself as a strong, determined person, but someone discovers a chink in your armour and makes life difficult for you.

38.4 Choose the correct answer.

- 1 If you were up in arms, you'd be ...
a) holding someone you love b) protesting strongly
c) feeling much stronger than before
- 2 If someone puts the knife in, they ...
a) make an important point b) test the situation before acting
c) do or say something very damaging
- 3 If you burn your bridges, you ...
a) make it impossible to return to a former situation b) get extremely angry and violent
c) destroy a good friendship
- 4 If you have an axe to grind, you have ...
a) a serious quarrel with someone b) a desire to hurt someone
c) a strong opinion and you want to persuade people you're right

If you can, look at a popular English-language magazine or tabloid newspaper and see if the horoscopes contain idioms. Make a note of any idioms you find, especially for your own star sign.

39 Food

A Appetite

If something **makes your mouth water**, it makes you want to eat it:
One look at those cakes **makes my mouth water**.

If you say that someone **has a sweet tooth**, you mean that they particularly like sweet things.

The word *appetite* can be used to refer to a desire for food or for something other than food.

In the same way, **whet your appetite** can be used to mean awaken a desire:

Cinemas use trailers to **whet viewers' appetites** and make them want to see the whole film.

B Sweet and sour

Sweet things are generally considered to be particularly pleasant and luxurious. **The icing on the cake**, for example, refers not only to the sugar coating on a cake but also to something that makes a good situation even better:

This trophy is **the icing on the cake** for Julie who has had a great year as a tennis player.

The expression **you can't have your cake and eat it** or **you want to have your cake and eat it** is used to refer to the fact that two good things are impossible to do or have at the same time: He wants to **have his cake and eat it**: he wants a well-paid secure job, but he doesn't want to have to work evenings or weekends.

Sour and *bitter* generally have unpleasant associations in idioms. If an experience **leaves a sour taste in your mouth**, you have an unpleasant memory of it. If you do something to the **bitter end**, you see it through to the end even though it takes a long time and is difficult.

C Specific foods

idiom	meaning	example
have egg on your face	be left feeling stupid or embarrassed because of something you did	You'll have egg on your face if your plan doesn't work!
be the best/greatest thing since sliced bread	be fantastic (informal)	I love my walkman. For me, it's the best thing since sliced bread.
be your bread and butter	be an activity or job you do to get the money you need	Taxi-driving is his bread and butter though he also writes music.
bear fruit	produce a positive result	At last our work is bearing fruit.

D In the supermarket

If you say something or someone is **flavour of the month**, it means that that thing or person is very popular. This is a reference to supermarkets' practice of putting a particular flavour of something – strawberry ice cream, for example – on special offer for a month:

Flavour-of-the-month actress, Becci Carr, stars in tonight's TV drama.

The phrase **be past or pass one's sell-by date** is often used humorously to refer to a person or thing that is not wanted or used any more because they are too old. It refers to the way supermarket food is marked with a *sell-by date* after which the product must be removed from the shelves before it goes bad:

I certainly feel as if I've **passed my sell-by date** this morning!

Exercises

39.1 What might Jo say in each situation? Match the remarks in the box with the situations.

You can't have your cake and eat it. He had egg on his face!
I was left with a sour taste in my mouth! It's the best thing since sliced bread!
It provides the bread and butter.

- Jo's husband asks her what she thinks of some new computer software she's using.
- Jo asks her brother how he likes his new, rather boring job.
- Jo's husband asks her how she felt after a meeting at work where people said some very unpleasant things to each other.
- Jo tells her husband about her boss – whom she doesn't like – who made a mistake in some basic figures at a meeting where all the main company managers were present.
- Jo's son tells her that he's going to spend his (not very large) savings on an expensive new guitar as well as going on a trip to Australia.

39.2 Circle the correct word to complete each sentence.

- Although it was too slow-moving for my taste, I sat through the film to the bitter / sour / sweet end.
- Watching that cookery programme on TV has really watered / worted / whetted my appetite for trying some new recipes.
- All the effort Mandy has put into training is beginning to bear food / fruit / vegetables.
- Although the pop group DK1 is bargain / flavour / taste of the month at the moment, their popularity is unlikely to last.
- Grandad was exhausted after his long walk and said he had passed his sell-by day / time / date.

41 Houses and household objects

A Home

Home is the place where people feel comfortable and safe. If you **are/feel at home** somewhere, you **are/feel comfortable** there. If you **make yourself at home**, you relax and make yourself comfortable. Similarly, if something is as **safe as houses**, it is extremely safe.

The implications of what she had said didn't **come home to me** until some days later. [I didn't understand it fully]

Her news reports have really **brought home** to me the horrors of war. [made me understand, usually something unpleasant]

B Doors and fences

Doors give you access to somewhere new.

They don't pay me very well for the work I do there at the moment, but at least I've **got my foot in the door**. [started working at a low level in an organisation because you want to get a better job in the same organisation later on]

Doors have keys and handles.

Female voters **hold the key** to the party's success in the election. [provide the explanation for something you could not previously understand]

Her father **flw off the handle** when she said she wasn't going to return to university. [reacted in a very angry way (informal)]

A fence marks the boundary between two areas of land.

If you **sit on the fence**, you delay making a decision or fail to choose between two alternatives. Usually in the end, though, you have to **come down on one side or the other**. [make a choice]

C Household objects

Alf **hit the ceiling/roof**¹ this morning for no reason at all. I thought he'd just **got out of bed on the wrong side**², but then his girlfriend explained that he's been **burning the candle at both ends**³ because of his exams. I'm glad she **put me in the picture**⁴ because now I can understand why he reacted so crossly. However, I wish he'd **take a leaf out of his girlfriend's book**⁵ and go to bed at a reasonable time.

- ¹ reacted angrily
- ² got up in a bad mood and has stayed in a bad mood all day
- ³ staying up late and getting up early
- ⁴ explained the situation to me – *picture* also means *situation* in **get the picture** [understand the situation (informal)] and **keep someone in the picture** [keep someone informed]
- ⁵ copy something someone else does, often in order to gain an advantage that they have

Exercises

41.1 Match the beginning of each idiom on the left with its ending on the right.

- | | |
|-----------------------------------|---------|
| 1 sitting on the | home |
| 2 getting your foot in the | handle |
| 3 getting out of bed on the wrong | fence |
| 4 flying off the | picture |
| 5 putting someone in the | ends |
| 6 feeling at | door |
| 7 burning the candle at both | side |

41.2 Answer these questions.

- 1 Is a decisive person likely to sit on the fence or come down on one side or the other?
- 2 If a student takes a holiday job in a big company in order to get a foot in the door, what does that suggest about the student's plans?
- 3 In what circumstances do people often burn the candle at both ends?
- 4 Are you more likely to say that something important or something trivial is brought home to you?
- 5 Do you think someone would be pleased or displeased if you took a leaf out of their book?
- 6 If you keep someone in the picture, are you being honest to them or not?
- 7 How do you feel if you get out of bed on the wrong side?
- 8 If someone hits the roof, what sort of mood are they in?

41.3 Which idioms do these pictures make you think of?

41.4 Rewrite the underlined part of each sentence with an idiom.

- 1 It will take some time before the impact of the new legislation is fully felt by the person in the street.
- 2 Sophie will make herself ill if she goes on allowing herself so little sleep.
- 3 Before you take over the project, I'll let you know exactly what the situation with it is.
- 4 The police think that DNA testing will provide the evidence necessary for proving who the murderer must have been.
- 5 Jim's been in a really bad mood all day.
- 6 The government can't postpone making a decision for ever.
- 7 Rob gets really angry at the slightest provocation these days. (Give two answers.)
- 8 If you want to get fit, why don't you do as Katie has done and join a gym?

41.5 Write sentences using six of the idioms from the left-hand page about your own life or experiences.

In this unit we look at idioms connected with the earth, the planets and the air, and other basic elements.

A

The air

The air (or sky) is often seen as something associated with feelings and emotions, or is in some way connected with unknown or future events. Look at these newspaper clips.

There was a sense of relief **in the air**¹ when the 'not guilty' verdict was announced.

Whether the government will change the law on football hooliganism is **up in the air**² at the moment.

The discussions have not solved the problem, but they have helped to clear the **air**³ to a certain

The news has come as a **breath of fresh air**⁴ for students worried about the high level of fees.

Mr Watson said the news had come **out of the blue**⁵ and it had shocked everyone. He

- ¹ everyone could feel it
- ² something new / more exciting
- ³ undecided
- ⁴ completely unexpectedly (*the blue* = the sky)
- ⁵ make bad feelings between people disappear

B

The earth, planets, ground

Idioms about the earth often refer to the ground beneath our feet and to being practical/realistic.

If ...	this means ...
someone is a down-to-earth person	they are very practical
you come (back) down to earth with a bang	something brings you suddenly back to reality
an idea or plan/project bites the dust	it fails/dies
someone is (living) on another planet	they have no awareness of the real world
you are over the moon about something	you are extremely happy
something is/ hits rock bottom	it is as low as it can possibly be/go
you find out how the land lies	you see how the situation is before you get involved
a person is upper-crust *	they belong to a very high social class

* The *crust* is the top surface of the earth; under it are other layers of very hot rocks.

Note also:

If you are **in the dark** or someone **keeps you in the dark**, you are not told important things that other people know.

If you are **in your element**, you are happy/relaxed in the situation because you are good at the things it involves.

If you are **out of your element**, you feel unhappy/uncomfortable because you are not good at the tasks involved. (*element* here refers to the four basic natural elements: earth, water, fire and air)

Exercises

42.1 Complete each of these idioms.

- 1 The news out of the blue. No one was expecting it.
- 2 What a crazy idea! I think she's living another planet.
- 3 The price of computers has rock bottom this year.
- 4 I think we should out how the land lies before we decide.
- 5 They've me in the dark about their future plans. I wish they'd tell me.

42.2 Match each question on the left with the most likely response on the right.

- | | |
|----------------------------------------------|-------------------------------------------|
| 1 Is Anna Conda really a princess? | Yes, it bit the dust. |
| 2 I guess he was delighted with the news? | Yes, he was in his element. |
| 3 So your new project failed after all? | No, he's very down-to-earth. |
| 4 Did your long talk with David help at all? | I don't know, but she's very upper-crust. |
| 5 Did your dad enjoy his golfing holiday? | Yes, he was over the moon. |
| 6 Is Alfie a very romantic type of person? | Well, it did help to clear the air a bit. |

42.3 Rewrite the underlined part of each sentence with an idiom.

- 1 You could feel a sense of fear in everyone when the planes came overhead.
- 2 It really is something new and exciting for us that the company has decided to move to London. We are all bored with working in a small town.
- 3 Sally was brought suddenly back to reality when the bank manager told her she had spent all her money.
- 4 Things are very undecided at the moment. I'll let you know when a decision is made.

42.4 Answer these questions.

- 1 Think of one person you know who is down-to-earth and another person you know who is just living on another planet. In what ways are they so?
- 2 When was the last time you felt over the moon, and why?
- 3 Think of an occasion when someone you hadn't seen for a very long time suddenly appeared out of the blue.
- 4 Think of one situation where you could personally say 'I'm in my element here!'

42.5 The underlined idioms below are not on the left-hand page. Try to work out the meaning of the idioms from context. If you can't, then check their meaning in a good general dictionary or in a dictionary of idioms.

- 1 I was shaking like a leaf as I waited to hear if I had passed the exam.
- 2 I slept like a log last night. It was so quiet and the bed was very comfortable.
- 3 I hate making big decisions. I usually prefer to just go with the flow.
- 4 It goes against the grain for him ever to say he was wrong. It is not in his character to admit that he has made a mistake.

FOLLOW UP

Look up *sun, star(s), moon, rock(s), sea and mountains* in a good dictionary or a dictionary of idioms. What idioms do you find? Write the idioms in sentences which illustrate their meaning.

A Boats

<i>idiom</i>	<i>meaning</i>	<i>example</i>

put/stick your oar in (oar = long piece of wood used for rowing a boat)	join a discussion when the other participants do not want you to (informal)	I hope John has the sense not to stick his oar in at tomorrow's meeting.
show someone the ropes	show someone how to do a job or activity	As it's your first day at work, Sue will show you the ropes.
be a nervous wreck (wreck = boat that's been destroyed, e.g. by hitting rocks)	be mentally and physically exhausted	I'm a nervous wreck after a day with those terrible children.
clear the decks (deck = flat open area on boat)	get ready for action	We'd better clear the decks before we paint the room.
be (all) at sea	be confused	I'm all at sea with this computer.

Exercises

43.1 Answer these questions.

- 1 If you miss the boat, have you lost a means of transport or an opportunity?
- 2 If you say that a project was plain sailing, are you happy with how it went or not?
- 3 If you burn your boats, are you taking a risk or not?
- 4 If a friend is in the doldrums, would you try to calm them down or cheer them up?
- 5 Are you more likely to be a nervous wreck if you're bored or if you're overworked?
- 6 If you are all at sea in a new job, do you need someone to show you the ropes or to stick their oar in?
- 7 If you rock the boat, will people be pleased with you or annoyed with you?
- 8 If you show someone the ropes, are you helping them or threatening them?

43.2 Complete each of these idioms with one word.

- 1 Things here are very difficult, but at least we're all in the boat.
- 2 It'll be hard climbing the mountain, but should be sailing on the way down.
- 3 Everyone would like to dance, so let's clear the and make as much space as we can in the middle of the floor.

A

Engines and cars

Look at these conversations. The second speaker uses an idiom to agree with what the first speaker says.

Eva: We'll have to get ready to start work on the new system.

Lars: Yes, we'll have to **get into gear**, I suppose.
(like putting a car into gear before driving)

Ron: I hate having Lisa in my car. She always tells you what you're doing wrong, or when the lights have gone red, and so on.

Peter: Yes, she's a real **back-seat driver**, isn't she?

Olga: I think we've spent over the budget these last three months. We'll have to be more careful.

Mick: Yes, we'll have to **put the brakes on** our spending; we've paid out some large sums.

Hugh: Things are going well these days, aren't they? Everything's working quietly and smoothly.

Ben: Yes, things are **ticking over** nicely.
(A car engine *ticks over* when it is running quietly, but the car is not moving.)

Will: Well, it was quite an angry meeting, but I think it was good that people could just say exactly what they were thinking and get angry if they wanted to.

Mia: Yes, I think it was good that they were able to **let off steam**.
(like a steam engine which lets off steam to reduce the high pressure that has built up)

Jim: I'm glad we organised our own travel instead of going with a group, aren't you?

Russ: Yes, I'm glad we decided to **go under our own steam**.

B

Electricity, phones and radio

If you ...	this means ...
get your lines/wires crossed	there is a misunderstanding between you and someone
are on the same wavelength as someone (wavelength = fixed position on a radio band, e.g. FM/AM)	you view the world or think in the same way as them
blow a fuse/gasket (gasket = kind of seal in an engine)	you lose your temper and react very angrily to an event
give someone a buzz	you phone them (informal)

C

Other idioms from the world of technology and machines

The government is **back-pedalling** over its plans to lower taxes. [is beginning to say the opposite of what it said before, like pushing the pedals of a bicycle backwards]

His comments really **put/threw a spanner in the works**. [spoilt something, e.g. a plan, or prevented it from succeeding]

She always buys the latest, **state-of-the-art** computer. [one which has all the newest features]

Plans for a new bridge across the river are **in the pipeline**. [are being discussed/prepared but are not public yet]

Exercises

A Idioms and meaning associations

Sometimes groups of idioms have some aspect of meaning in common. For example, our *bones* are inside our body; they have *flesh/meat* on them and they form our skeleton. Note how some basic associations of the word *bone(s)* play a part in this meaning of these idioms.

example	meaning	association
I have a bone to pick with you.	You have done something that has annoyed me, and we must discuss it.	Animals pick the flesh off bones when they eat their prey.
She's going to get that job; I can feel it in my bones .	I have a feeling deep inside me / an instinct.	Bones are deep inside us.
How best to use the money we raised has become a bone of contention .	People are arguing and disagreeing over it.	Animals fight over bones/food.
Let's try and get to the bare bones of the problem.	Get to the heart / the most basic aspects of the problem.	The bones are our skeleton, our basic form.

B Shoulder and arm

Main association: Shoulders support or carry things.

She **has a chip on her shoulder** about the fact that she was not promoted in her job years ago. [blames other people for something negative that has happened to her and goes on carrying these feelings for ever]

Fiona, can I talk to you? I'm having a horrible time and I need **a shoulder to cry on**. [sympathy or support in time of trouble]

You are not alone in your fight against the authorities. We will **stand shoulder to shoulder with you**. [support you in a difficult time]

I didn't have much success trying to get to know that good-looking guy at the party. He **gave me the cold shoulder**. [reacted to me in an unfriendly or cold way for no obvious reason]

Main association: Arms hold and/or control things.

I didn't really want to do the job, but he **twisted my arm** and I said yes. [persuaded me to do something I didn't really want to do]

I don't really want to talk to her. I've been trying to **keep/hold her at arm's length**. [keep a distance between myself and her]

C Leg

I haven't really won the lottery. I was only **pulling your leg**. [only joking / trying to fool you]

He'll find it difficult to convince the police that he's innocent. He **hasn't (got) a leg to stand on** really. [has nothing to support his claim or position]

There are ten units in this book that deal with idioms connected with the body. Try to build a picture in your mind of a human body as you work through the units and remember which parts of the body are most strongly associated with idioms, e.g. the hand.

Exercises

47.1 Use idioms to complete the network.

47.2 Use the idioms from exercise 47.1 to rewrite these sentences in as brief a way as possible.

- I want to talk to you about something very annoying that you have done.
- This book will give you the most basic information, but it doesn't go into great detail.
- I don't think we should allow the cost to become a matter that we argue about.
- There's going to be trouble at work. I can really sense it in a subconscious way.

47.3 Choose the correct answer.

- Janet has a chip on her shoulder because she never got a chance to go to university.
 - She is disadvantaged in trying to find a job.
 - She has an ambition she has not yet fulfilled.
 - She carries a negative feeling about it throughout her life.
- Brian is pulling Helen's leg.
 - He is annoying her.
 - He is trying to fool her about something.
 - He is attacking her.
- Louise needs a shoulder to cry on.
 - She needs to cry publicly.
 - She needs a friend to listen to her troubles.
 - She needs something to cry about.
- Rita is trying to twist Sally's arm because she wants to borrow Sally's car.
 - Rita is trying to persuade Sally even though Sally doesn't want to do it.
 - Rita is trying to blackmail Sally to do it.
 - Rita is trying to pay Sally to lend her car.
- Lorna gave Mark the cold shoulder when he asked her to go with him to the school party.
 - She put her head on Mark's shoulder in a romantic way.
 - She rubbed her shoulder against Mark's as a way of saying 'yes'.
 - She behaved in a rather distant way and said 'no'.
- Clare said she would stand shoulder to shoulder with Irene.
 - She promised to fight Irene with all her strength.
 - She promised to stand next to Irene in a queue for something.
 - She promised to support Irene in a difficult situation.

47.4 Write a sentence or a couple of sentences for each of these idioms to show their meaning.

hold/keep someone at arm's length not have a leg to stand on

47.5 Here are two more idioms using *arm* which are not on the left-hand page. Using a dictionary if necessary, complete each idiom.

- The tickets for the Michael Jackson concert cost us an arm and a ; they were the most expensive I have ever bought.
- I think I'll my arm and apply for that job. I know I'm not at all qualified, but I've got nothing to lose by applying.

A

Emotions

Head is used in a number of idioms that relate to emotions and staying calm and in control.

keep your head

[keep calm, especially in a difficult or dangerous situation]

lose your head

[panic or lose control]

laugh/scream/shout your head off

[laugh/scream/shout very much and very loudly (informal)]

be banging or hitting your head against a brick wall

[ask someone to do something which they won't do]

bring something to a head / something comes to a head

[an unpleasant situation is so bad that it has to be dealt with]

If you can **keep your head** when all around are losing theirs, you'll be a man, my son.
(written by 19th century poet Kipling)

They were **shouting their heads off** until late at night and I just couldn't fall asleep.

Trying to get the boys to tidy their bedroom is just **banging your head against a brick wall**.

Andy and Jill had been upset with each other for some time, but things eventually **came to a head** last night when they had a terrible row.

B

Thought

Sometimes *head* is used in idioms to mean the place where ideas or thoughts are produced.

idiom	meaning	example
put ideas into someone's head	make someone want to do something they had not wanted to do before (usually something stupid)	Louisa was always quite happy in the village until Rex started putting ideas into her head.
get your head (a)round (usually – can't get (my) head (a)round)	come to fully accept or understand something (informal)	I just can't get my head around what's happened. It's been such a shock!
off the top of your head	without thinking about it for very long or looking at something that has been written about it	Off the top of my head, I couldn't tell you where they live, but I could soon find out.

C

Other head idioms

Rebecca is so beautiful; she always **turns heads**¹ whenever she walks into a room. My brother Barney is beginning to **fall in love** with her, but our parents would like to **knock that on the head**². This is a very busy year for Barney and he is going to have to work very hard to **keep his head above water**³. However, he **bites/snaps their heads off**⁴ if they tell him to ignore her. I'm taking care not to get involved – it's safer to **keep my head down**⁵.

¹ people notice that person because they look interesting or attractive

² put a stop to it (informal)

³ have just enough money in order to live or keep a business going (an image from swimming)

⁴ speaks to them angrily

⁵ say as little as possible in order to avoid arguments

Exercises

48.1 What do these underlined idioms mean?

- 1 I can't get my head around how much she's changed since she met Joel.
- 2 Mary will never turn heads in the way that her older sister does.
- 3 You'll laugh your head off when you see Bill wearing a dinner jacket.
- 4 Dick hadn't had time to prepare a speech, but he spoke very well off the top of his head.
- 5 If I were you, I'd keep my head down until the situation improves.
- 6 Sam wants to use your saw to build a treehouse – you'd better knock that idea on the head.
- 7 My boss snapped my head off just because I asked for an extra day off.
- 8 It was the first time that Joanna had talked about wanting to work abroad and her father blamed her new boyfriend for putting ideas into her head.

48.2 Complete each sentence with an idiom from the box. Make any other necessary changes.

bang your head against a brick wall bring things to a head come to a head keep your head
lose your head scream your head off snap someone's head off

- 1 Mel when she saw a rat under the table.
- 2 When the pilot announced that the plane was having engine problems, all the passengers behaved calmly and no one
- 3 I'm trying to get him to give up smoking, but I
- 4 You'll easily pass your driving test as long as you
- 5 I wish he wouldn't when I ask him about his work.
- 6 Jack and Sue have not been getting on well for some time now, but Jack's rudeness to her last night and they had a blazing row.
- 7 The disagreement over pay at a meeting yesterday.

48.3 Which idioms do these pictures make you think of?

48.4 Answer these questions.

- 1 Has anyone ever bitten your head off? Why did they do this?
- 2 Under what circumstances would you find it hard to keep your head?
- 3 When was the last time you laughed your head off?
- 4 What kind of person would turn your head in the street?
- 5 Can you think of someone who has been criticised for putting ideas into people's heads?
- 6 Would a business be pleased if it were keeping its head above water? Why (not)?

**FOLLOW
UP**

This unit includes just some of the idioms based on the word head. Look in a good dictionary, find three more idioms and write them down in example sentences.

A Face

Our face presents the image we show people and that is reflected in most of the idioms with *face*.

idiom	meaning	example
make/pull a face	show that you do not like something by making an unpleasant expression	Emma pulled a face when she heard that Jim was coming to the party.
keep a straight face	not to laugh or change your expression even though you want to laugh	It was all I could do to keep a straight face when I saw Jim in his new suit.
put a brave face on something	pretend you are happy about something when you are not happy	Chris was disappointed about not getting the job, but he's put a brave face on it.
take something at face value	accept something as it looks without thinking about whether it might, in fact, not be quite what it appears	I decided to take his words at face value although my brother told me I was being naive.
on the face of it	according to the appearance of something	On the face of it, it's a generous offer. But I feel there might be a trick in it.
face to face	with another person in their presence rather than, say, by phone or letter	You should really discuss this with her face to face.

B Hair

Hair in idioms often has associations with being calm and in control. If you say to someone **Keep your hair on!** (informal) you mean *Calm down!*

Her boyfriend has disappeared again. She's **tearing/pulling her hair out!** [getting very anxious (usually used with continuous verb forms)]

My boss **didn't turn a hair** when I handed in my notice. [showed no reaction at all]

C Neck and chest

It's uncomfortable at home at the moment because my two flatmates, Tom and Dick, **are at each other's throats**¹ all the time. It started when Tom used Dick's computer and managed to destroy some files. Tom decided to **make a clean breast of it**². Now Dick won't let him use the computer without **breathing down his neck**³ all the time and he's always going on about how stupid Tom was. Tom finds this **a real pain in the neck**⁴ and he wishes he had never **got it off his chest**⁵, but had just let Dick think it was a computer virus that had destroyed his files. Tom knows he is in the wrong, but he wishes Dick wouldn't keep **ramming it down his throat**⁶ all the time and would just show his annoyance by **giving him the cold shoulder**⁷.

- ¹ arguing in a very angry way
- ² tell the truth about what he had done so that he did not feel guilty any more
- ³ paying close attention to what he is doing in an annoying or threatening way

- ⁴ really annoying
- ⁵ told him what he was feeling guilty about
- ⁶ forcing him to listen to his opinions
- ⁷ ignoring him in a deliberate way

Note how idioms with *throat* or *neck* often describe someone behaving in a way that the speaker finds aggressive or intrusive. Note also how the idea of a guilty secret being a weight on your chest is reflected in two idioms – **make a clean breast of** and **get it off your chest**.

Exercises

49.1 Complete each idiom with a word from the box. Use some of the words more than once.

chest face hair neck shoulder throat(s)

I haven't been enjoying my job recently. On the¹ of it, it's a good job, but my colleagues don't get on with each other. They are either at each other's² or giving each other the cold³ and I don't know which is worse. My boss is always breathing down my⁴ and ramming his reactionary views down my⁵. I find him a terrible pain in the⁶. I had to get my feelings off my⁷ and, today, I decided to unburden myself to his secretary. Suddenly, I realised that my boss was standing behind me. 'You should have told me this⁸ to⁹, he said and, without turning a¹⁰, he added 'You're fired!' I was so angry that I pulled a¹¹ at him and stormed out of the office.

49.2 Match the beginning of each sentence on the left with its ending on the right.

- | | |
|-----------------------------------------------|----------------------------------------------|
| 1 You try to keep a straight face | when you get very upset about something. |
| 2 You put a brave face on something | when you admit to doing something wrong. |
| 3 You can be said to be pulling your hair out | when you accept it in a straightforward way. |
| 4 You make a clean breast of something | when you are showing your anger. |
| 5 You may make a face | when you want to control your laughter. |
| 6 You take something at face value | when you deliberately ignore them. |
| 7 You may be told to keep your hair on | when you are not pleased about something. |
| 8 You give someone the cold shoulder | when you try to hide your disappointment. |

49.3 Correct the mistakes in these idioms.

- Rose's father didn't pull a hair when she told him she was going to get married.
- I wish my boss would let me get on with my work instead of breathing down the neck.
- You should tell him directly how you feel rather than just giving him the cold shoulders.
- Nina is very worried about her husband's illness, but she's putting her brave face on it.
- Keep your hair up!
- If you take what they say with face value, you'll soon get disappointed.
- Having to do homework is such an ache in the neck!
- I have to tell you a terrible secret. I'll go mad if I don't get it on my chest soon.

49.4 Which idioms do these pictures make you think of?

The eyes are the basis of a large number of idioms. Note the idioms and their meanings in these paragraphs.

I **couldn't believe my eyes**¹ when I first saw her. She was so beautiful, I just **couldn't keep my eyes off**² her. I tried to **catch her eye**³ to say hello.

As a teacher myself, I know that teaching is not easy. You always have to **keep an eye on**⁴ the students, but sometimes you just have to **turn a blind eye**⁵ if they behave badly. If you want to be a teacher, you have to go into the profession **with your eyes open**⁶.

Jenny and I were good friends at first, but now we don't **see eye to eye**⁷. I know the fact that we stopped being friends **raised a few eyebrows**⁸ at the time.

Could you **run/cast your eye over**⁹ this report and see if there are any spelling mistakes? My computer's **on the blink**¹⁰ and the spell-checker refuses to work. These reports are important, and I always have to **have/keep one eye on**¹¹ how the boss will react to them if they look untidy.

It all happened in the **blink of an eye**¹² and no one could do anything to prevent it. It was horrible. But the police officer standing nearby **didn't bat an eyelid**¹³. Then something **caught my eye**¹⁴ which shocked me even more.

Working in such a poor country **opened my eyes to**¹⁵ how unjust the world is. It was indeed a **real eye-opener**¹⁶.

¹ couldn't believe what I was seeing

² couldn't stop looking at her

³ get her attention; make her look at me

⁴ keep your attention on

⁵ ignore behaviour which you know is wrong

⁶ aware of all the problems there could be

⁷ agree with each other

⁸ surprised/shocked people

⁹ have a quick look at

¹⁰ is beginning to break down and go wrong, probably because it is old (to *blink* means to close and open your eyes very quickly)

¹¹ observe carefully

¹² extremely short time

¹³ didn't react at all

¹⁴ made me look

¹⁵ made me understand for the first time

¹⁶ an event or situation that I unexpectedly learnt something from

Exercises

50.1 Write a suitable response to each of these remarks with an idiom. Use the keyword in brackets.

- 1 A: Oh! We're doing 58 and the speed limit is 50. There's a police car there!
B: Don't worry, if it's just over the limit, they usually (BLIND)
- 2 A: There's Petra over there. I wonder if she's seen us?
B: I don't know. Let's wave and see if we can (CATCH)
- 3 A: Are you and Sally not friends any more?
B: No, not really, we just don't (SEE)
- 4 A: Is there something wrong with this photocopier?
B: Yes, it's been for a while now. (BLINK)

B: No, she didn't (BAT)

50.2 Circle the correct word to complete each sentence.

- 1 If you want to be a professional athlete, you have to go into it with your eye / eyes open.
- 2 Will you cast your eye / eyes over this report? I have to hand it in tomorrow.
- 3 Erik is so crazy about Margaret. Look at him! He can't keep his eye / eyes off her!
- 4 The events of last night really opened my eye / eyes to just how arrogant he really is.
- 5 I couldn't believe my eye / eyes when I saw what a mess they had made of the room.

50.3 Rewrite the underlined part of each sentence with an eye idiom.

- 1 An accident can happen so quickly you can't stop it.
- 2 His behaviour at the meeting surprised a few people.
- 3 You should take into consideration your chances of promotion when taking up a new job.
- 4 A very strange sight forced me to look as I was driving along the motorway yesterday.

50.4 Here are some random examples from a computer database containing lines from real conversations. The figures in diamond brackets, e.g. <s1>, <s2>, mean 'first speaker', 'second speaker', etc. How many of the examples use *eye* as an idiom, and how many use the word *eye* in its literal sense as 'the organ we see with'? Use a dictionary if necessary.

- 1 go into town and get erm an **eye** test. <s1> Mm. <s2> In town.
- 2 you er keep an **eye** out for tramps, do you then?
- 3 In your mind's **eye** how are you going to do that?
- 4 <s1> So I'll keep a general **eye** on it. And er <s3> Yeah
- 5 <s1> There's something in my **eye**. There's that thing floating
- 6 difficult to put that to your **eye**. You also have to have one eye
- 7 good offer? <s2> Yeah it caught my **eye** <s1> Yeah it's
- 8 I'm casting my **eye** over this form and I think
- 9 this year. <s4> Just keep an **eye** out for it. <s4> Yeah.
- 10 <s2> You'll have to keep an **eye** on her. <s1> Yeah. <s2> Oh my
- 11 so you're about **eye** level with the monitor.
- 12 saw her out of the corner of my **eye**. <s3> Her lipstick is all over

A Ear

The association of *ear* with hearing/listening is prominent in most of these idioms.

example	meaning
In my opinion, you should just play it by ear .	respond to the situation as it occurs, don't decide what to do beforehand
Do you play the guitar from music or by ear ?	play without music; just by sensing the right notes
I couldn't believe my ears when she told me.	couldn't believe what I was hearing
Bill never listens when you tell him important things. It just goes in one ear and out the other .	doesn't listen or pay attention; forgets things immediately
Go on! Tell me the gossip. I'm all ears !	I'm very keen to hear what you have to tell me.

B Other face idioms: lips, mouth, nose, teeth, tongue

Some literal associations remain strong in these idioms. But remember, these are only guidelines, and some idioms may be less transparent in their meanings.

Main association: Lips are associated with saying/talking.

The company pays **lip service** to the principle of equal rights for women. [says it believes in, but does not carry out]

I promise I won't tell anyone. My **lips are sealed**. [I shall keep the secret / tell no one]

Main association: Mouths are associated with speaking or eating.

I heard about the school **by word of mouth**. Everyone said it was good. [by being told directly]

Those cream cakes are really **mouth-watering** / **making my mouth water**. Take them away before I eat them all! [making me want to eat them]

Main association: Noses are associated with feelings/reactions and involvement.

Stop **poking/sticking your nose into** other people's business! [interfering in]

You shouldn't **turn your nose up at** 200 pounds a week. It's better than nothing. [refuse]

That new secretary **gets right up everybody's nose**. Someone will have to talk to the boss about it before it's too late. [annoys/irritates everyone]

Main association: Teeth are associated with hard work / determination / struggles.

He achieved it **in the teeth of** serious opposition. [despite]

I escaped disaster **by the skin of my teeth**. [I only just escaped a disaster]

We can't change what's happened. We'll just have to **grit our teeth** and do our best to carry on as before. [accept the situation and handle it with determination]

Joe is **lying through his teeth**. I never said any such thing! [telling a deliberate lie]

Main association: Tongues are associated with speaking.

I was upset by her remarks, but I **bit my tongue**. [remained silent; didn't react]

Her name's **on the tip of my tongue**, but I just can't remember it. [I know it and will be able to remember it very soon]

TIP

Where idioms do carry indirect associations with their literal meanings, try to group them in some way, e.g. 'lips and tongue are associated with speaking', as this may help you to remember them.

Exercises

51.1 True or false? Tick (✓) the correct box for these statements.

True False

- 1 If someone plays a musical instrument by ear, they can read the notes directly from a sheet of music. ☐ ☐
- 2 If your lips are sealed, you refuse to tell other people a secret you know. ☐ ☐

- Your dissertation is nearly finished, so don't now.
- It to see my brother making such a fool of himself. (Give two answers.)
- My when I realised pay day was still a week away.

52.3 Rewrite each underlined idiom with a literal expression that means the same.

Emily (1) had set her heart on getting a promotion. She had been (2) putting her heart and soul into her work, but had not yet been offered a better position. So she decided to (3) have a heart-to-heart with her boss. Over several cups of coffee she (4) poured her heart out to him, telling him all about her achievements and her ambitions. Her boss listened (5) with a sinking heart. When she had finished (6) baring her heart, he said: 'You're a great worker, Emily, and (7) your heart is certainly in the right place. In many ways, (8) you're a woman after my own heart. But you do need to improve on your people skills before we can consider promoting you. (9) Don't lose heart, though. I'm sure you will make it one day.' Emily (10) took his words to heart and was at first very upset. But then she bought a book called *People Skills and How to Get Them* and decided she'd (11) learn it by heart.

52.4 Answer these questions.

- What might a boy who is very good at playing the guitar set his heart on doing?
- If you do something to your heart's content, do you do it very well or do it a lot?
- If you say that someone is a woman after your own heart, do you mean that she likes you or that she is like you?
- If you say that someone's heart is in the right place, are you praising them?
- If your heart misses a beat, which of these might you be: sick, excited, afraid, in love?
- Who does a teenage girl often open her heart to?
- Why might a woman have a change of heart about getting married and what would she then do?
- What sort of thing might break a young lover's heart?

A Brain

If you have something on the brain (informal), you can't stop thinking or talking about one particular thing.

If you pick someone's brains, you ask for information or advice from a person who knows more about something than you do.

The phrase the brain drain is used to refer to the movement of highly skilled and educated people from their own country to another one where they are paid more.

**B Mind**

<i>idiom</i>	<i>meaning</i>	<i>example</i>
be a load/weight off your mind	feel relieved because a worry is removed	Knowing he was safe was a load off my mind.
have/keep an open mind	wait until you have all the facts before forming an opinion	The PM is keeping an open mind until the report is ready.

put/set someone's mind at rest	help someone to stop worrying	If it'll put your mind at rest, I'll phone home every day.
at the back of your mind	always in your mind although you don't spend too much time thinking about it	The thought of having to make a decision soon is always at the back of my mind.
in your mind's eye	in your imagination or memory	In my mind's eye I can still see the house I grew up in.

C Blood and guts

If a film is said to be full of **blood and guts*** (informal), it means that it is very violent.

If something is done in **cold blood**, or in a **cold-blooded** way, it is done in a cruelly planned and unemotional way. It is strongly associated with the verbs *kill* and *murder*.

If making someone tell or give you something is **like getting blood out of a stone**, it is very difficult to do.

If you say you have a **gut feeling/reaction**, you mean that feeling or reaction is instinctive.

If you **slog/sweat/work your guts out** (informal), you work extremely hard.

* *Guts* is an informal word for intestines.

Exercises

53.1 Match the beginning of each sentence with its ending.

A

Line as track

Imran knew he **was in line for**¹ promotion last year. However, foolishly, he said something **out of line**² at a meeting and that was the end of his hopes for a while. I'm not sure what he said exactly, but it was something **along the lines of**³ the problems of the company being down to inefficient management. Anyhow, he's learnt that it is not a good idea to **step out of line**⁴ - at least not in his **line of work**⁵ - and he seems to be **going along/on the right lines**⁶ now. As long as he doesn't say anything **along/on the same lines**⁷ again - at least not until he's got his promotion, when he can be one of the inefficient managers himself.

¹ likely to get (used about something good)

² not suitable, that should not have been said (or sometimes done)

³ similar to

⁴ behave in a way that is not what is expected of you

⁵ profession

⁶ be doing something in a way that will bring good results

⁷ of a similar kind (sometimes in a similar way)

Act, action, activity

Idioms with *act* have two main meanings, one connected simply with doing things, the other with acting as in a theatre or drama. Idioms with *action* can refer to what is happening or to whether something/someone is working/functioning normally.

A Act

Here, the second speaker uses an idiom to repeat or sum up what the first speaker says.

Josh: The boss saw Jim and Margaret kissing in the office yesterday. He was furious.

Simon: Yes, I heard about it. They were **caught in the act**. Amazing!

Kim: Lisa should fill out her application for university or she'll be too late.

Erica: Yes, it's time she **got her act together**.

Paul: Keith wants to join us now that we're doing well.

Bill: Yes, now that we're successful he wants to **get in on the act**!

Edith: Brian is crying and saying he's ill. I don't believe him.

Yvonne: I don't either. I think he's just **putting on an act** because he doesn't want to work.

Note these other idioms with *act*:

It's always a difficult **balancing act** to please the younger people and the older ones at the same time. [trying to treat the two groups of people equally]

A lot of people think the tabloid newspapers should **clean up their act** and stop destroying famous people's lives. [stop doing something a lot of people don't like or agree with]

Stop behaving like a child! You're over 18 now. **Act your age!** [don't behave in a childish way]

Stop **acting the fool/goat!** This is a serious matter. [playing around / not taking things seriously]

B Action and activity

Note that it would normally be very unusual to find all these similar idioms together in one text.

Normally, the office is a **hive of activity**¹, but the boss has **been out of action**² for a week, so everyone's taking it easy. He'll probably **be back in action**³ next week. He says there are opportunities for huge sales on the Internet and that we should **get a slice/piece of the action**⁴. But usually he's **all talk and no action**⁵, so unless he **follows/takes a different course of action**⁶ from his usual way of doing things, then nothing will happen.

¹ a very busy place (like a beehive) with people working hard all the time

² not been working in the normal way, perhaps because he's ill

³ be back at work again

⁴ take part in something exciting, profit from it

⁵ someone who promises/says they will do a lot of exciting things, but doesn't do them

⁶ acts in a particular way (rather formal)

Exercises

57.1 Use an idiom from the left-hand page to repeat or sum up what the other person says.

- 1 A: Ken has been off work for a couple of weeks, hasn't he?
B: Yes, he's been for a while now.
- 2 A: Doreen is so silly. She's 31, but she acts like a teenager sometimes.
B: Yes, I agree. She should learn to
- 3 A: Eva is always saying what fantastic plans she has to travel round the world, but she never actually does it.
B: Yes, she's
- 4 A: Bob should go and get a job. He finished university over a year ago and has never had a job.
B: Yes, it's time
- 5 A: I think we always have to try to give the kids a lot of fun, but at the same time show their parents we're giving them a serious education.
B: Yes, it's a very delicate

57.2 Complete the crossword.

Across

- 1 Time to get your act
4 Don't on an act!
5 I want to in on the act.

Down

- 2 Don't act like this animal.
3 Bees are busy there.

57.3 Rewrite the underlined part of each sentence with an idiom from the left-hand page.

- 1 He was stealing a car, and the police caught him just at the moment when he was getting into it.
- 2 I was out of the team for three weeks with a knee problem, but now I'm playing again.
- 3 I think it's time we acted in a different way.
- 4 The film industry should change its present wrong way of doing things and stop making violent films.
- 5 Everyone wants to be part of the exciting situation now that we are making a lot of money. (Give two answers.)
- 6 Our office is a very busy place these days as we prepare for the launch of our new products.

FOLLOW UP

Try to follow a particular theme and learn as many idioms as you can connected with it. For instance, *act* gives us idioms connected with the theatre. Look up other theatre words (*stage, curtain, scene*) and see if you can find any new idioms.

A Good and better

Our daughter, Sharon, wanted to be an actress. I used to be involved in amateur theatre and I think Sharon wanted to **go one better**¹. **Against our better judgement**², we agreed that she could go to drama school. However, we managed to persuade her to do a secretarial course first – she agreed that this would always **stand her in good stead**³. After completing the course and rather to our relief, she **thought better of**⁴ a life on the stage and decided to go for a job in theatre management instead.

- ¹ do more or do something better than it has been done before
- ² although we did not think it was a sensible thing to do
- ³ be useful in the future
- ⁴ decided not to do what she had intended to do

B Best

idiom	meaning	example
second best	not as good as the thing you really want	If you know what kind of job you want, you really shouldn't settle for second best.
get the best of both worlds	have the advantages of two different things at the same time	Living in France and working in Switzerland gives them the best of both worlds – Swiss salaries and a French lifestyle.
for the best	unpleasant now but will turn out well in the future	It may well be that the break-up of their relationship is for the best.
make the best of a bad job	be positive about a situation that you do not like but cannot change	It was difficult for her to move to such an isolated place, but she made the most of a bad job and slowly began to enjoy it.
be on your best behaviour	make an effort to behave as well as possible	Jack hates formal parties, but he has promised to be on his best behaviour at the reception tonight.

C Bad, worse and worst

The company has been in a **bad way** ever since it lost a major order last July. [in a poor condition]

The situation at school was dreadful last Christmas when a number of teachers were fired and it has **gone from bad to worse** since then. [got even worse than it was before]

I was learning the piano, but I've **given it up as a bad job**. I couldn't find time to practise. [stopped because I felt it was not worth continuing]

If the **worst comes to the worst**, we'll sell the house and move back to my parents. [if the situation becomes very difficult or serious]

TIP

Use the example sentences on this page as models, but alter them a little if possible so that they describe something in your own life.

- 3 How are the people at number 10 trying to go one better than their neighbours?

- 4 In what sense is Mike in a bad way?
- 5 How might he make the best of a bad job?

58.4 Choose two idioms from each of the three sections on the left-hand page. Then write sentences about your own personal experiences.

EXAMPLE: I'm studying English because I'm sure it will stand me in good stead in the future.

The ground, meaning the earth under our feet, is associated with a number of idioms which refer to positions people occupy in giving arguments and opinions. The ground is also seen as a starting point from which plans, actions, etc. can take off, like a plane.

A Attitudes, arguments, positions

Agreeing / accepting ideas

We share a lot of **common ground**, so I think we'll work well together. [things we agree on; similar opinions and experience]

The idea that organic food is better for people as well as the environment is **gaining ground**. [becoming more popular/accepted]

Disagreeing/opposing

The Prime Minister's speech has **cut the ground from under the feet of** the Opposition. [made their position weaker by saying something better]

She was determined to **hold/stand her ground** and not to be persuaded by the others. [refuse to change her opinion/behaviour]

I think you're on **dangerous ground** if you try to insist that they change the financial system. [hold a view/opinion that will probably offend/upset people]

Changing your opinion/argument

For a long time, neither side would **give ground**, but now it seems they are ready to consider each other's position. [change their opinion or accept the other side's position]

It's very difficult to argue with Rosa; she keeps **shifting her ground**. [changing her opinion/argument]

B The ground as starting point

If someone ...	this means they ...
gets a project/idea off the ground (or if a project/idea gets off the ground)	help it start off well/successfully (or it starts well/successfully)
gets in on the ground floor	become involved in something right at the beginning (and which is often successful later)
prepares the ground (for some activity)	create a good/suitable situation for something to take place

C Other useful ground idioms

I felt so embarrassed I just wished the ground would swallow me up. [wished I could just disappear]

Good restaurants are **thick/thin on the ground** in this town. [there are a lot / very few]

Living near the airport **suits me down to the ground** since I travel a lot. [suits me perfectly]

As a result of the media attention, she has **gone to ground**. [hidden, not appeared in public]

This part of town was my old **stamping/stomping ground** when I was a student here ten years ago. [place where I spent a lot of time]

Exercises

59.1 Complete these idioms with prepositions.

- The Minister cleverly cut the ground her opponents' feet by announcing new tax cuts.
- He got the ground floor with e-commerce and became a millionaire when it took off.
- Good hotels are thin the ground in the smaller cities; you have to go to the capital to get hotels of international standard.
- The project has got the ground quicker and more smoothly than we expected.
- Part-time work suits me the ground at the moment as I'm trying to study at the same time.

'Well I think it suits you down to the ground.'

59.2 Use the idioms from exercise 59.1 to rewrite these sentences. Make any other necessary changes.

- I'm afraid there aren't many good cafés in the town centre.
- Working from home is perfect for me as I can look after our small child at the same time.
- If you join our company now, I promise you are coming into it at the beginning of some really exciting developments.
- Reducing the price now will enable us to get a big advantage over our competitors, because they will not be able to do the same.
- It's a good idea, but I don't know if it will ever become popular.

59.3 Rewrite each sentence with an idiom from the left-hand page which means the opposite of the underlined words.

- She let them persuade her and had a meeting with the boss to tell her everything.
- We have no ideas or experiences we can share, so we need to discuss how we can work together.
- I think you can quite safely raise the subject of longer holidays at the staff meeting.
- There are very few English Language schools in the capital city.
- The idea that public transport is better for the environment is becoming less popular.

59.4 Answer these questions.

- If a famous person goes to ground, what do they do?
- How do you feel if you wish the ground would swallow you up?
- If someone refuses to give ground, what do they refuse to do?
- Which idiom on the left-hand page means changing your position in an argument?
- One idiom on the left-hand page gives you a choice between *stamping* and *stomping*. What is it and what does it mean?
- If you want to sell a new product in a new country and someone has prepared the ground for you, what does that mean?

Similes and idioms with *like*

In this unit we look at idioms with *as ... as ...* and *like*. *As ... as ...* idioms make an adjective stronger / more intense, so *as blind as a bat* means very blind / with very poor sight indeed.

A *As ... as ...* and *like* idioms involving animals/birds

Try to memorise the keywords. They may help you to remember the whole idiom more easily. They also tell you something about what the animals are associated with in British culture.

animal	keyword	example	meaning
bat	blind	I'm as blind as a bat without my glasses!	can't see
bat	hell	It must be urgent. She left like a bat out of hell .	moving very fast indeed
bear	head	He's like a bear with a sore head .	very bad-tempered / irritable
bee	busy	I've been as busy as a bee all morning.	very busy
bird	free	When I set off round the world, I felt as free as a bird .	very free
bull	the colour red	Telling him not to smoke in here is like a red rag to a bull .	will make him extremely angry
cat	bring/drag things into the house	He arrived looking like something the cat brought/dragged in .	very scruffy / untidy/messy
eel	slippery	Be careful. He's as slippery as an eel .	changes his attitude / position; constantly escapes control
fish	water	As the only football enthusiast in the group, I felt like a fish out of water .	uncomfortable because you are different from other people
fox	sly/cunning	I wouldn't trust her. She's as sly/cunning as a fox .	very sly/cunning
hawk	eyes	Janet will see you if you use the computer without permission. She has eyes like a hawk .	sees everything; never misses anything
ox	strong	My father was a big man, and as strong as an ox .	very strong

B Other common similes

There were tents as far as the eye could see at the rock festival. [covering the landscape]
 It's as plain as the nose on your face that she's in love with him. [very easy to see]
 Looks are not everything. It doesn't matter if you marry someone who is as ugly as sin as long as you love each other. [very ugly indeed]
 Your suitcase is as light as a feather [very light]. Mine's as heavy as lead [lead = very heavy].

C Other common *like* idioms

I've always tried to avoid exams **like the plague**. [plague = avoid / have no contact with something unpleasant (*the plague* is a serious disease which kills many people)]
 I'm sorry, I forgot to get your newspaper. I have a memory **like a sieve**! [sieve = very bad memory (a *sieve* is a kitchen tool with a plastic net which separates liquids from solids)]
 He'll be here **like greased lightning** if he hears there are free tickets. [very quickly indeed]

She tied herself up in knots trying to explain why she had written to him like that.
- 5 **be man enough** – always followed by an infinitive with to
Are you man enough to accept the challenge?

- ii.5 1 informal 2 humorous 3 literary 4 old-fashioned 5 very informal
6 formal

Unit 1

I.1 These two idioms both mean *feel poorly / not very well*:

feel off-colour

feel under the weather

These two idioms both mean *be getting better after an illness*:

be on the road to recovery

be on the mend

These four idioms all mean *be crazy*:

be as nutty as a fruitcake

be not all there

be off your trolley

be a basket case

These four idioms all mean *die*:

give up the ghost

bite the dust

pop your clogs

fall off your perch

- I.2 1 sore 2 bitter 3 itchy 4 warmed 5 pill 6 screw 7 recharge
8 fiddle 9 right 10 sandwich

- I.3 1 fall off your perch
2 kick the bucket
3 bite the dust
4 pop your clogs
5 give up the ghost

- I.4 1 I've got itchy feet. – Where would you like to go?
2 He's as right as rain now. – That is a relief!
3 He's not right in the head. – I know, Jane told me he was off his rocker.
4 I'm going to tell him what I think of him. – Good. Give him a dose of his own medicine.
5 Dad's a bit off-colour today. – Oh dear, I hope he's OK tomorrow.
6 Failing the exam was a bitter pill to swallow. – Yes, but she'll soon get over it.

Follow up

There are probably a lot of idioms relating to madness and death in English because these are difficult subjects and people feel more comfortable talking about them in an indirect way. As many of the idioms used are very informal, it would be easy to offend someone if you used them in an inappropriate situation.

Unit 2

- 2.1** in seventh heaven on cloud nine on top of the world over the moon
thrilled to bits
- 2.2** 1 jump for joy
2 grin and bear it
3 be floating on air
4 do something for kicks / get a kick out of something
5 sour grapes
6 be on top of the world
- 2.3** 1 The child was thrilled to bits to have her photo in the paper.
2 I felt as if I was floating on air as I ran down the hill into his arms.
3 Why does Marti look so out of sorts today?
4 Don't make such a fuss. It's not the end of the world!
5 Your telephone call has really made my day!
6 Jill said she was on cloud nine and Jack agreed that he was in seventh heaven.
7 Why does Mark always have to be such a misery guts?
8 Stereotypically, happy footballers say that they are over the moon.
- 2.4** 1 Good news – if something makes your day, it makes you feel happy.
2 No – down in the dumps means miserable.
3 Hot-air ballooning – boot cleaning is not something that many people find exciting.
4 Unhappy – when you grin and bear it, you try to make the best of a situation that you are not happy with.
5 News of the illness of a close friend. A heavy shower of rain might make you damp (wet), but it wouldn't put a damper on the event.
6 No one enjoys the company of a misery guts – being with a miserable person can make you feel miserable too.
7 'Of course, that model is very unreliable!' is the sort of unpleasant remark that someone might make out of sour grapes.
8 Just as a damper makes a piano quieter, so something that puts a damper on an event quiets it down, makes it less fun.
9 Quite a lot of the images are based on the concept of happiness making you feel as if you are not on the ground but up in the air.

Unit 3

- 3.1** These pairs of idioms mean more or less the same thing:
went off the deep end / did his nut
gave him an earful / gave him a piece of her mind
drove him up the wall / sent him round the bend
put his back up / rubbed him up the wrong way
- 3.2** 1 here 2 terms 3 cat 4 went 5 after 6 out 7 screw
8 wits'

3.3 Yesterday I had terrible toothache. It hurt a lot and I guess that's why I was in a bad temper all day. Everything anyone said seemed to put my back up and, in the end, I blew a fuse with the person I share my office with. Even when I'm in a good mood, she sends me round the twist with her constant chatter and yesterday I had had it up to here with her after only ten minutes. I really gave her an earful and the result is that we are no longer on speaking terms. I know I'll have to apologise for doing my nut like that, but perhaps I'll wait a while. It's much easier to work when she isn't talking to me! Perhaps I should give her a piece of my mind more often.

3.4 Possible answers:

The answers to the questions with even numbers here are fairly fixed, but those with odd numbers are more open. (The answers given below to the odd-numbered questions are those of one of the authors.) Check your answers with your teacher or another good speaker of English if you are not sure whether they are correct or not.

- 1 People sniffing drives me up the wall.
- 2 put/set the cat among the pigeons; ruffle someone's feathers
- 3 Yes, a teacher once went off the deep end when someone flew a paper aeroplane in the classroom.
- 4 fed up to the back teeth; your blood is up; after your blood; out for blood; get/put someone's back up; give someone an earful; give someone a piece of your mind
- 5 A friend recently rubbed me up the wrong way when he told me something I didn't want to hear.
- 6 *I've had it up to here* is usually accompanied by the speaker's hand indicating the top of his/her head.
- 7 I sometimes give people who make unsolicited phone calls selling things a piece of my mind – yes, I know they're only doing their job, but it can be extremely annoying.
- 8 blow a fuse

Unit 4

- 4.1**
- 1 I don't have the faintest idea where he is today; you'll have to ask somebody else.
 - 2 The title of the CD has a familiar ring to it, but I don't think I've ever heard it.
 - 3 My cousin knows the tax laws inside out, so if you want advice on your tax, he'll help you.
 - 4 I can't for the life of me think what it was I came into the kitchen for.
 - 5 I saw Tom and Lily together in a restaurant looking adoringly into each other's eyes. I put two and two together, and decided they must be madly in love.
- 4.2** I always thought I knew my computer inside out, but the other day it started to crash every time I opened a certain program. I could not for the life of me understand why it was doing this, and I didn't have the faintest idea / the foggiest (idea) / a clue about what to do to fix it.
- I rang the helpline which I had used in the past, and after about 20 minutes I spoke to someone who said his name was Patrick, and that he was there to help me. He gave me some advice which had a familiar ring to it from previous calls I had made to the same helpline. I put two and two together, and concluded that they give the same advice to everybody, and that it's just a way of getting rid of you. The computer still crashes every time I open the program.
- 4.3**
- 1 No, that name doesn't ring any bells with me. I don't think I've met her.
 - 2 I'm (really) out of touch with TV soap operas these days. I never watch them.

- 3 She knows her stuff when it comes to the history of this area. / She knows the history of the area inside out.
- 4 I got (hold of) the wrong end of the stick and it caused (a lot of) problems.
- 5 Her name rings a bell. I may have met her.
- 4.4** 1 I haven't (got) / don't have a clue how to use the photocopier. Do you think you could help me?
- 2 I haven't (got) / don't have the faintest idea where I left that letter I brought for you. I'm really sorry.
- 3 I haven't (got) / don't have the foggiest (idea) what she's talking about. She's crazy!

Unit 5

- 5.1** 1 Philip: Yes, I think he's got the message.
- 2 Gerry: Yes, that should definitely teach her a lesson.
- 3 Brad: Yes, they've certainly given us food for thought.
- 4 Nick: Yes, I'm sure the whole thing is a figment of his imagination.
- 5 Steve: Yes, it was important to set/put the record straight.

- 5.3** 1 I want to know where I stand. One day you say you love me, the next day you say I'm just a friend. It's driving me crazy.
- 2 He spent £500 of my money. I'll never lend him my credit card again. I've learnt my lesson.
- 3 I don't know all the ins and outs of the situation, but I think one of the directors is going to resign. There must be a big problem.
- 4 I can understand that she needed help, but what beats me is that she should ask someone as stupid as Simon to help her!

5.4 Possible answers:

Check your answers with your teacher or another good speaker of English if you are not sure whether they are correct or not.

- 1 I bought a cheap brush to wash the dishes from someone who came to the door selling things. I learnt my lesson – it fell to pieces after a week!
- 2 I flew with a very bad airline once, just because the ticket was cheap. The flight was delayed and very uncomfortable. I decided not to complain and just put it down to experience.
- 3 I wanted to be a diplomat when I was about 18. I got some information about the job, then had second thoughts when I realised what it involved.
- 4 I heard on the grapevine that someone I know has decided to take early retirement from his job.
- 5 Many years ago I wasn't sure if someone loved me or just wanted me to be a friend, so I asked that person directly to tell me where I stood.

Unit 6

- 42.3** 1 You could feel a sense of fear in the air when the planes came overhead.
2 It really is a breath of fresh air for us that the company has decided to move to London.
We are all bored with working in a small town.
3 Sally came (back) down to earth with a bang when the bank manager told her she had spent all her money.
4 Things are up in the air at the moment. I'll let you know when a decision is made.

42.4 Possible answers:

Check your answers with your teacher or another good speaker of English if you are not sure whether they are correct or not.

- 1 My father was a very down-to-earth person. He always had a practical solution to problems. Sometimes I think our political leaders are living on another planet! They really do not know how ordinary people live, and what their day-to-day problems are.
2 I felt over the moon when I heard that one of my books was a best-seller.

- 3 An old friend I had not seen for 15 years was on a cycling holiday and she passed through the village where I live, and called in to say hello without any warning.
- 4 I'm in my element when I'm playing music on my guitar or on my fiddle (violin) with friends.
- 42.5**
- 1 If you are **shaking like a leaf**, it means you are trembling because you are afraid or nervous. (Leaves often tremble in the breeze or wind.)
 - 2 I **slept like a log** means I slept very well/deeply. (A *log* is a very solid, heavy piece of wood.)
 - 3 If you go **with the flow**, you let events carry you along, without making any decisions yourself. (The *flow* here suggests a river flowing along and carrying things with it.)
 - 4 If it **goes against the grain** for you to say or do something, it means it is not in your character, or it is against your basic beliefs and principles to say/do it. (The *grain* means the natural lines you see in wood. If you want to cut wood with a saw, it is more difficult to cut it against the grain than along the grain.)

Unit 43

- 43.1**
- 1 It could be both, but the phrase is more likely to be used idiomatically meaning an opportunity.
 - 2 Probably happy because it was easy.
 - 3 Yes, you are, because you won't be able to go back to how things were.

 7 She **got her fingers** (badly) **burnt** on the stock exchange. She bought shares in an Internet company that went bankrupt.

- 45.3** 1 Do you think you could **give me a hand** this weekend? I have to move some furniture to our summer cottage.
 2 If you're the sort of person who is prepared to **turn your hand** to anything, you'll be able to **earn** a lot of money; people are always looking for willing workers.
 3 I was very pleased when they told me my project had been **given the thumbs up**.
 4 I decided to wash my hands of the whole idea and to have no involvement whatsoever in it.
 5 If you want to make a good impression at a business meeting, it is a good idea to have all the facts and figures at your **fingertips**.
 6 To build a horrible concrete bridge over such a beautiful river is terrible. It stands out like a sore thumb!

Follow up

We said at the beginning of the unit that hands in idioms often refer to ownership, control, acting and exercising skills. Idioms which follow those ideas include *to have something to hand* (to have it near you, immediately available), *to be a dab hand at something* (to be very good / very skilful at something). Fingers seem to touch things. Thumbs seem to be something noticeable, visible, as a signal of something, e.g. *to thumb a lift* meaning to hitch-hike. But remember, these are just general guidelines to meaning, and individual idioms may suggest a different kind of meaning, e.g. *to be under someone's thumb* meaning to be controlled by them.
